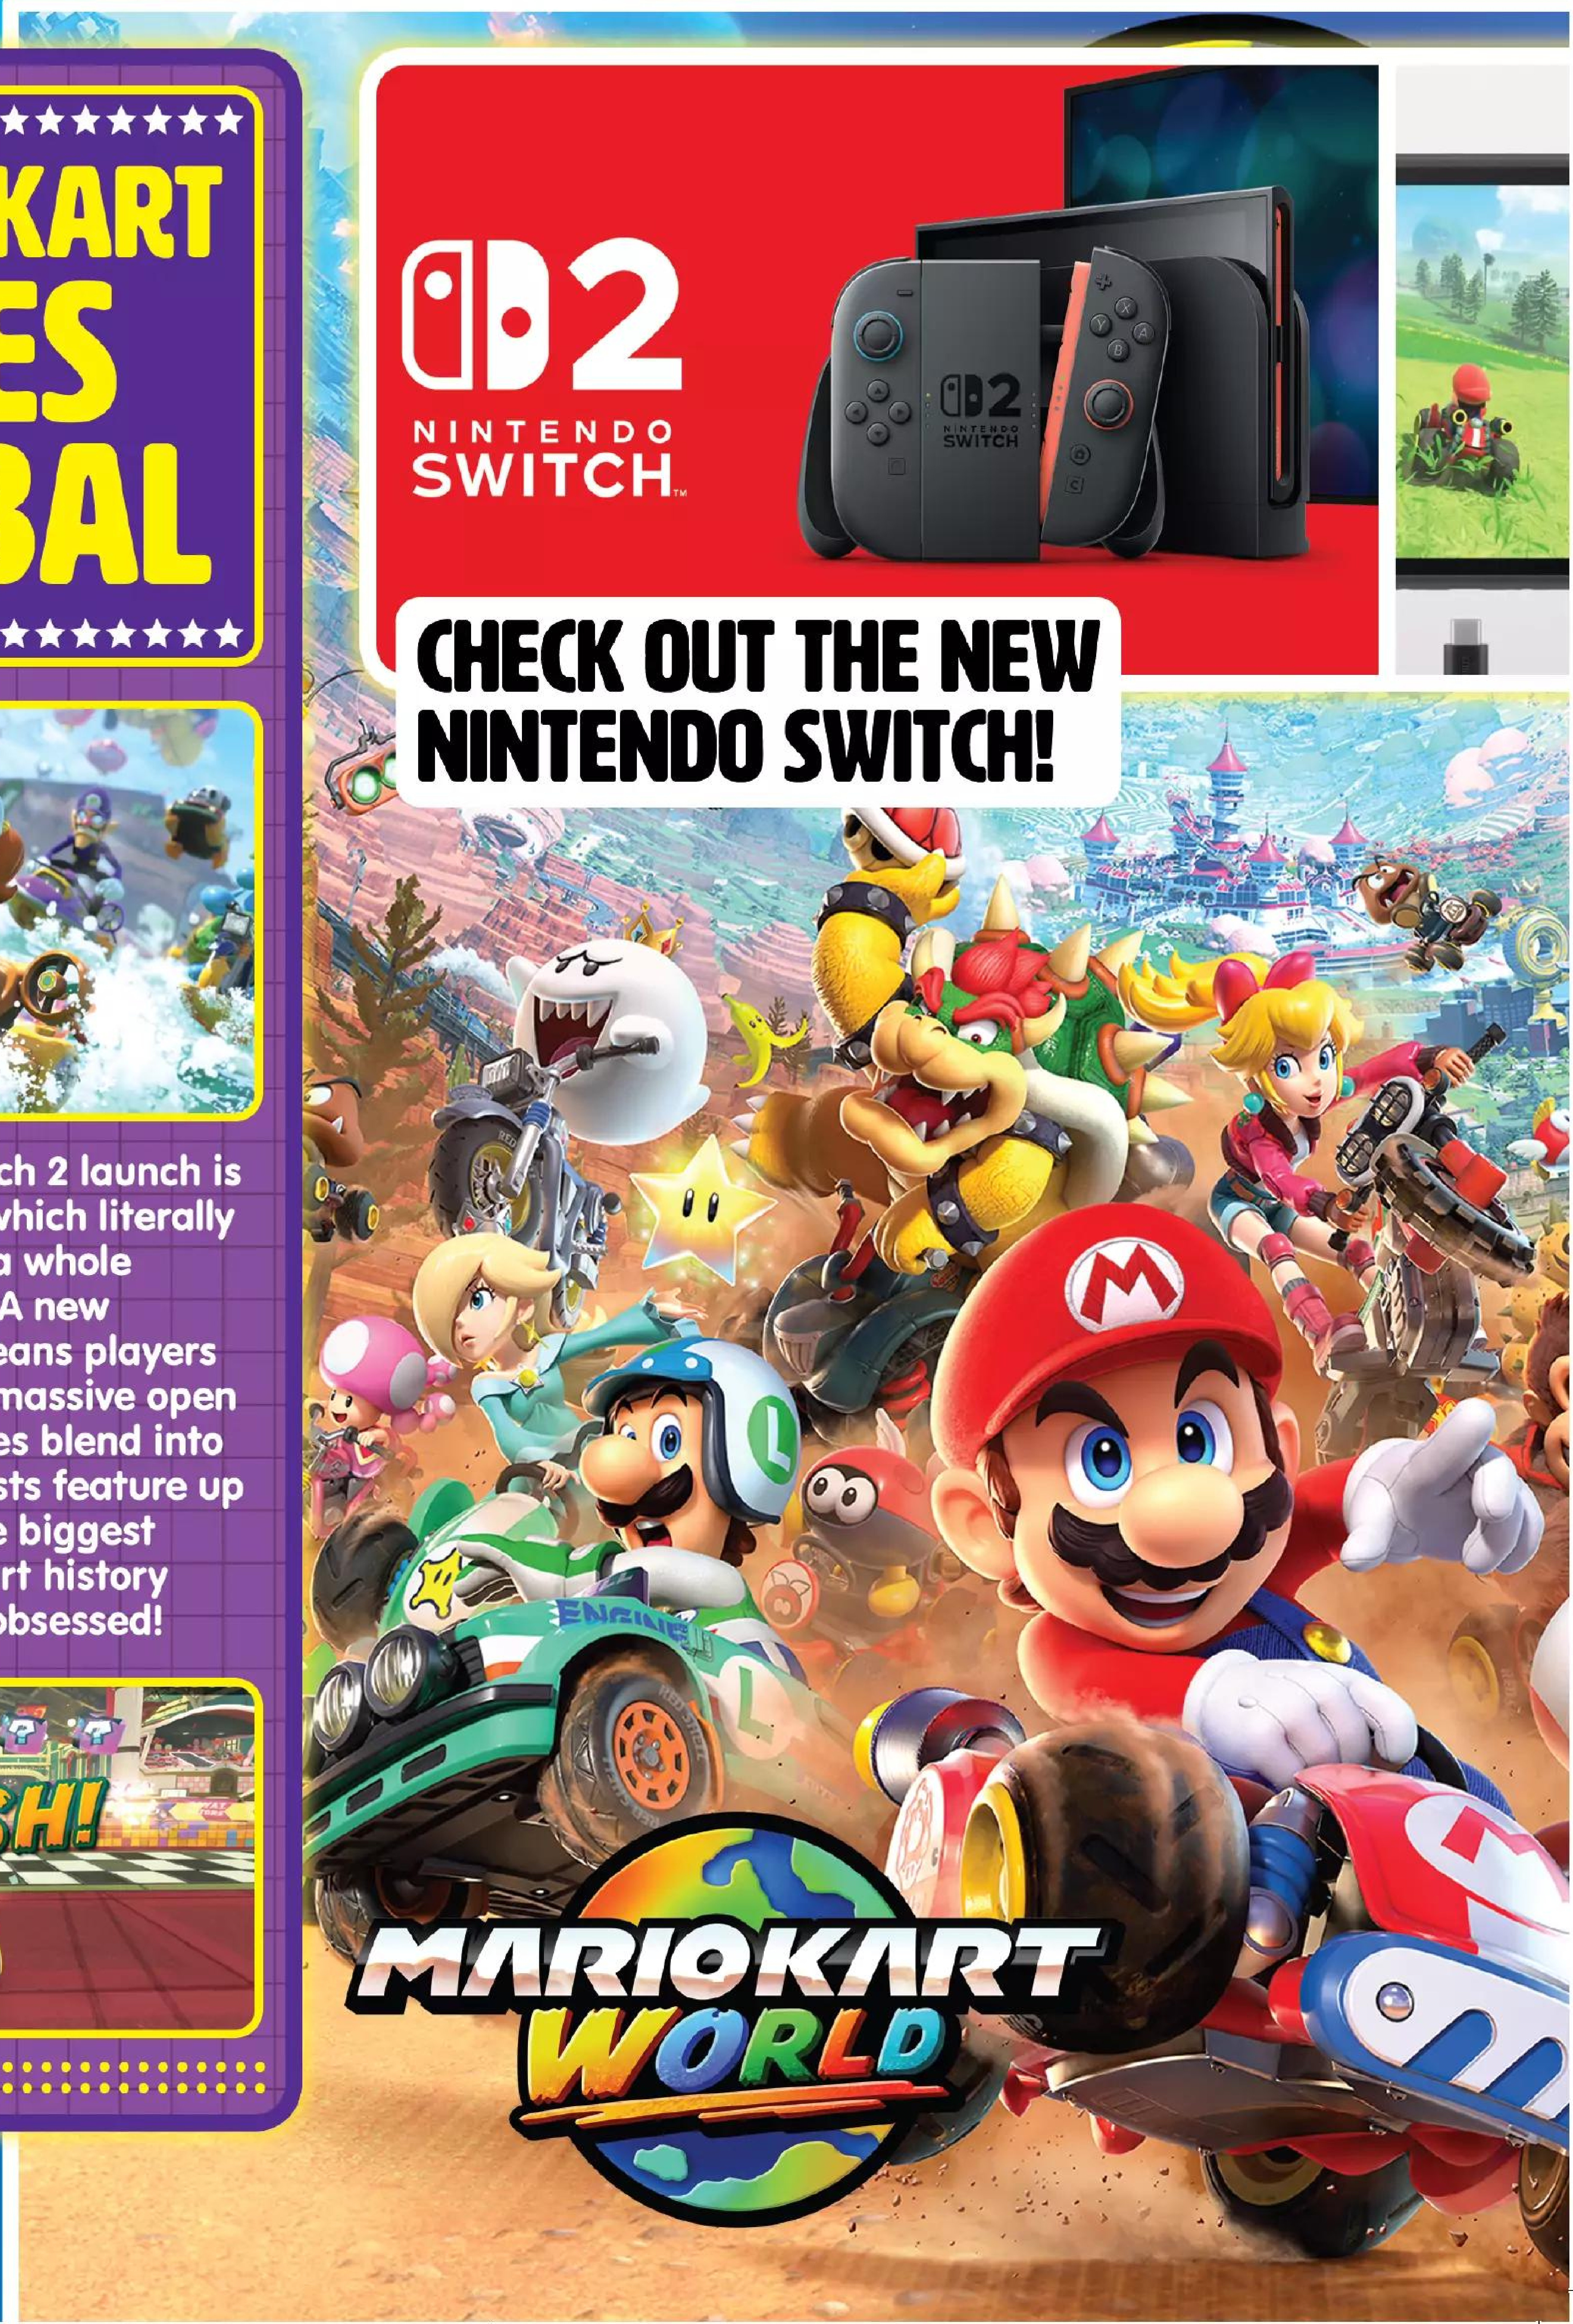
GAMING

Switch 2 is here and we are all over its big-name new games!

MARIO KART GOES GLOBAL

Leading the Switch 2 launch is **Mario Kart World**, which literally takes the series in a whole different direction. A new free-roam mode means players can now explore a massive open world, where courses blend into the map and contests feature up to 24 racers! It's the biggest change in Mario Kart history and we're already obsessed!



CHECK OUT THE NEW NINTENDO SWITCH!

NEWS

DESTRUCTION DONKEY

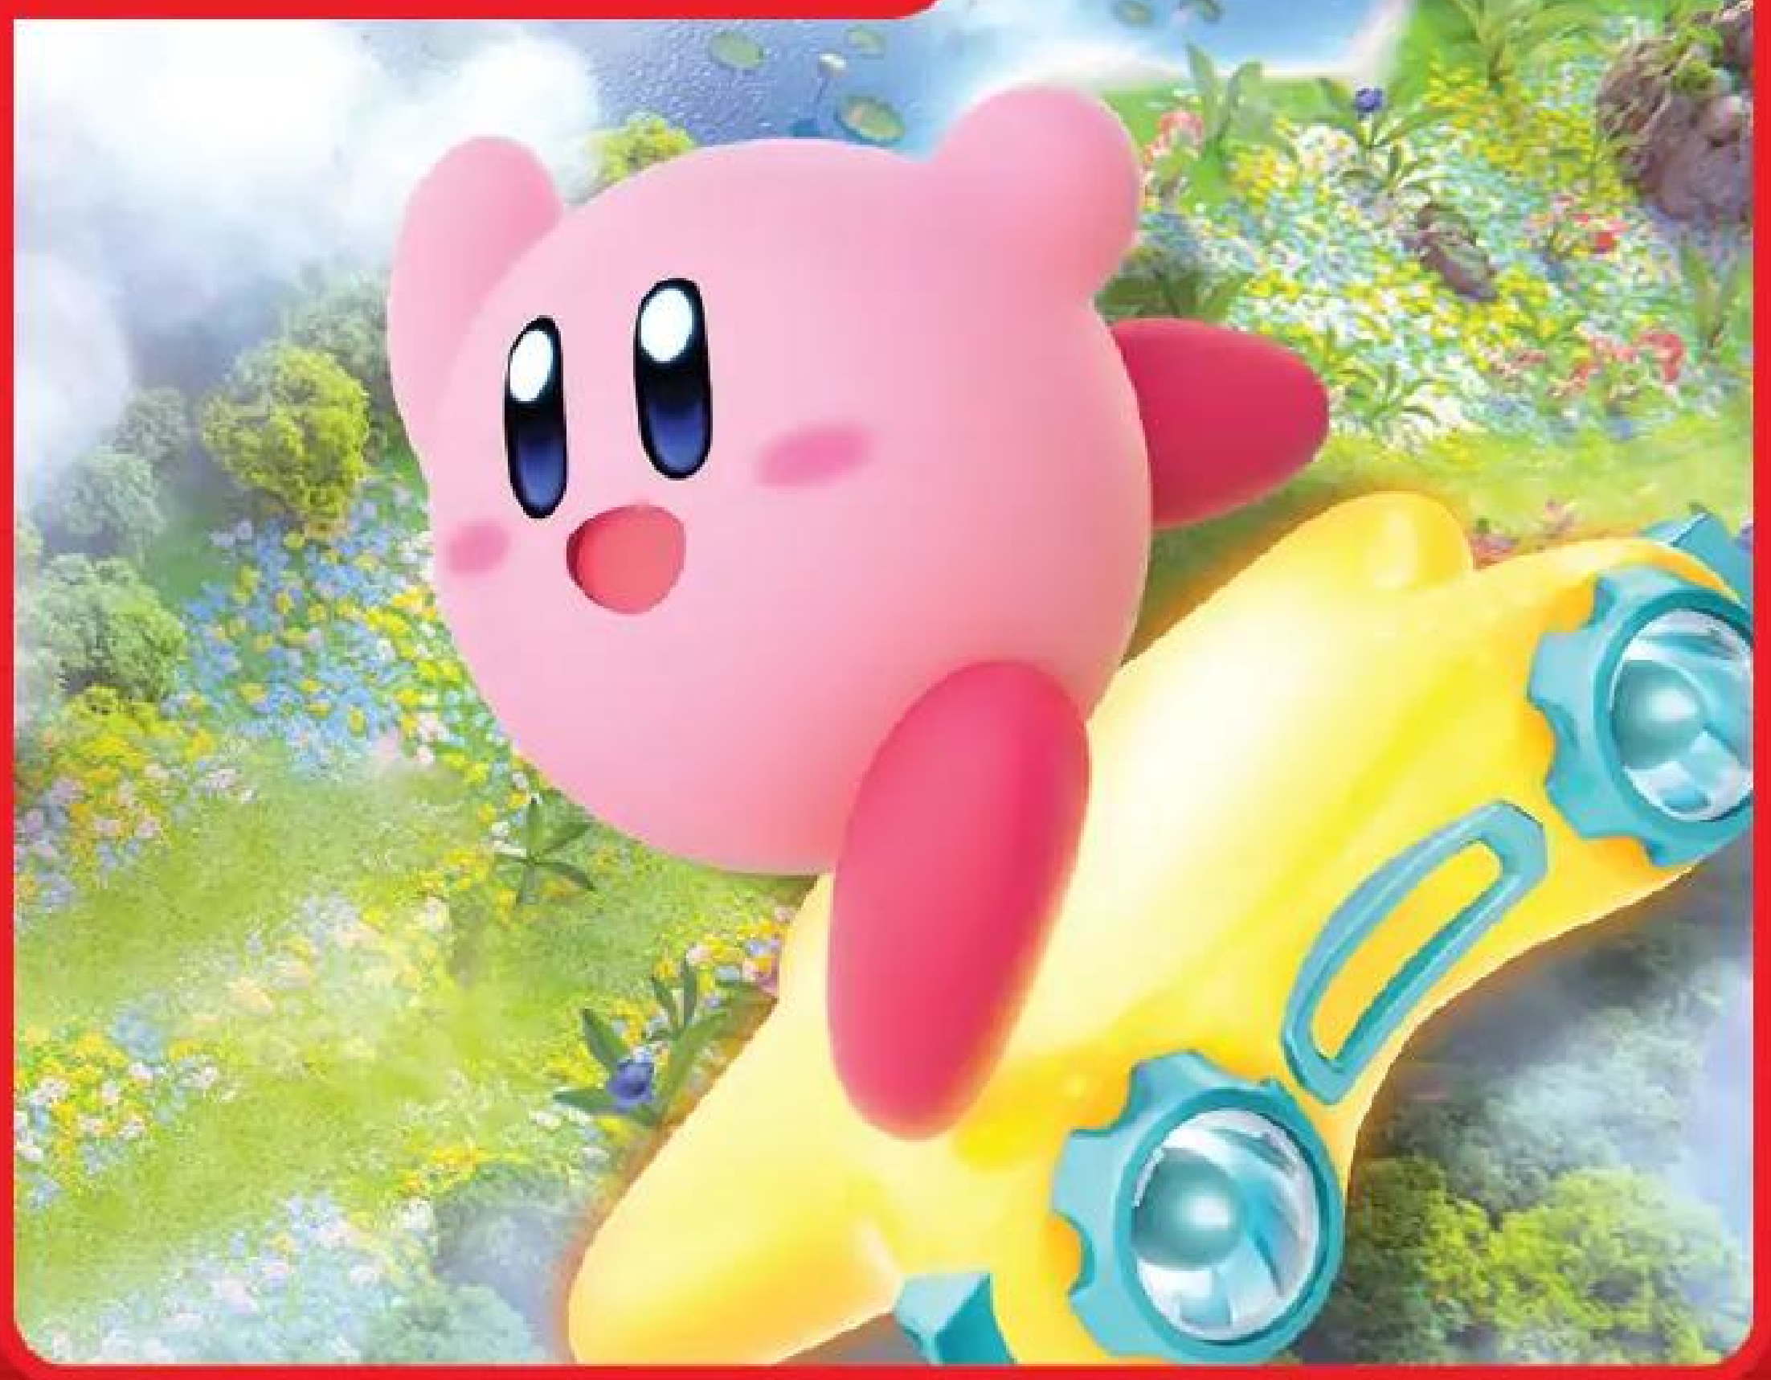
■ We might not be getting a new Mario platformer just yet, but who cares when we've got everyone's favourite gorilla to fill the gap! **Donkey Kong Bananza** is due out soon and will introduce a new world that DK must smash to absolute bits. Bring. It. On!

ZELDA ZAPS BACK

THINK YOU CAN TAKE ME?

■ Fancy a **Tears of the Kingdom** prequel? What a stupid question! **Hyrule Warriors: Age of Imprisonment** is heading our way this winter, bringing with it all the hack-and-slash carnage we enjoyed in the Switch's **Age of Calamity**. Get your Ganon-mashing magic skills at the ready.

KIRBY COMEBACK



■ It's more than two decades since this ball of candyfloss had their own racing game, so **Kirby Air Riders** is as long-awaited a sequel as they come! Once we fancy a break from Mario Kart, this quirky spin-off should offer a fun alternative when it drops later this year.

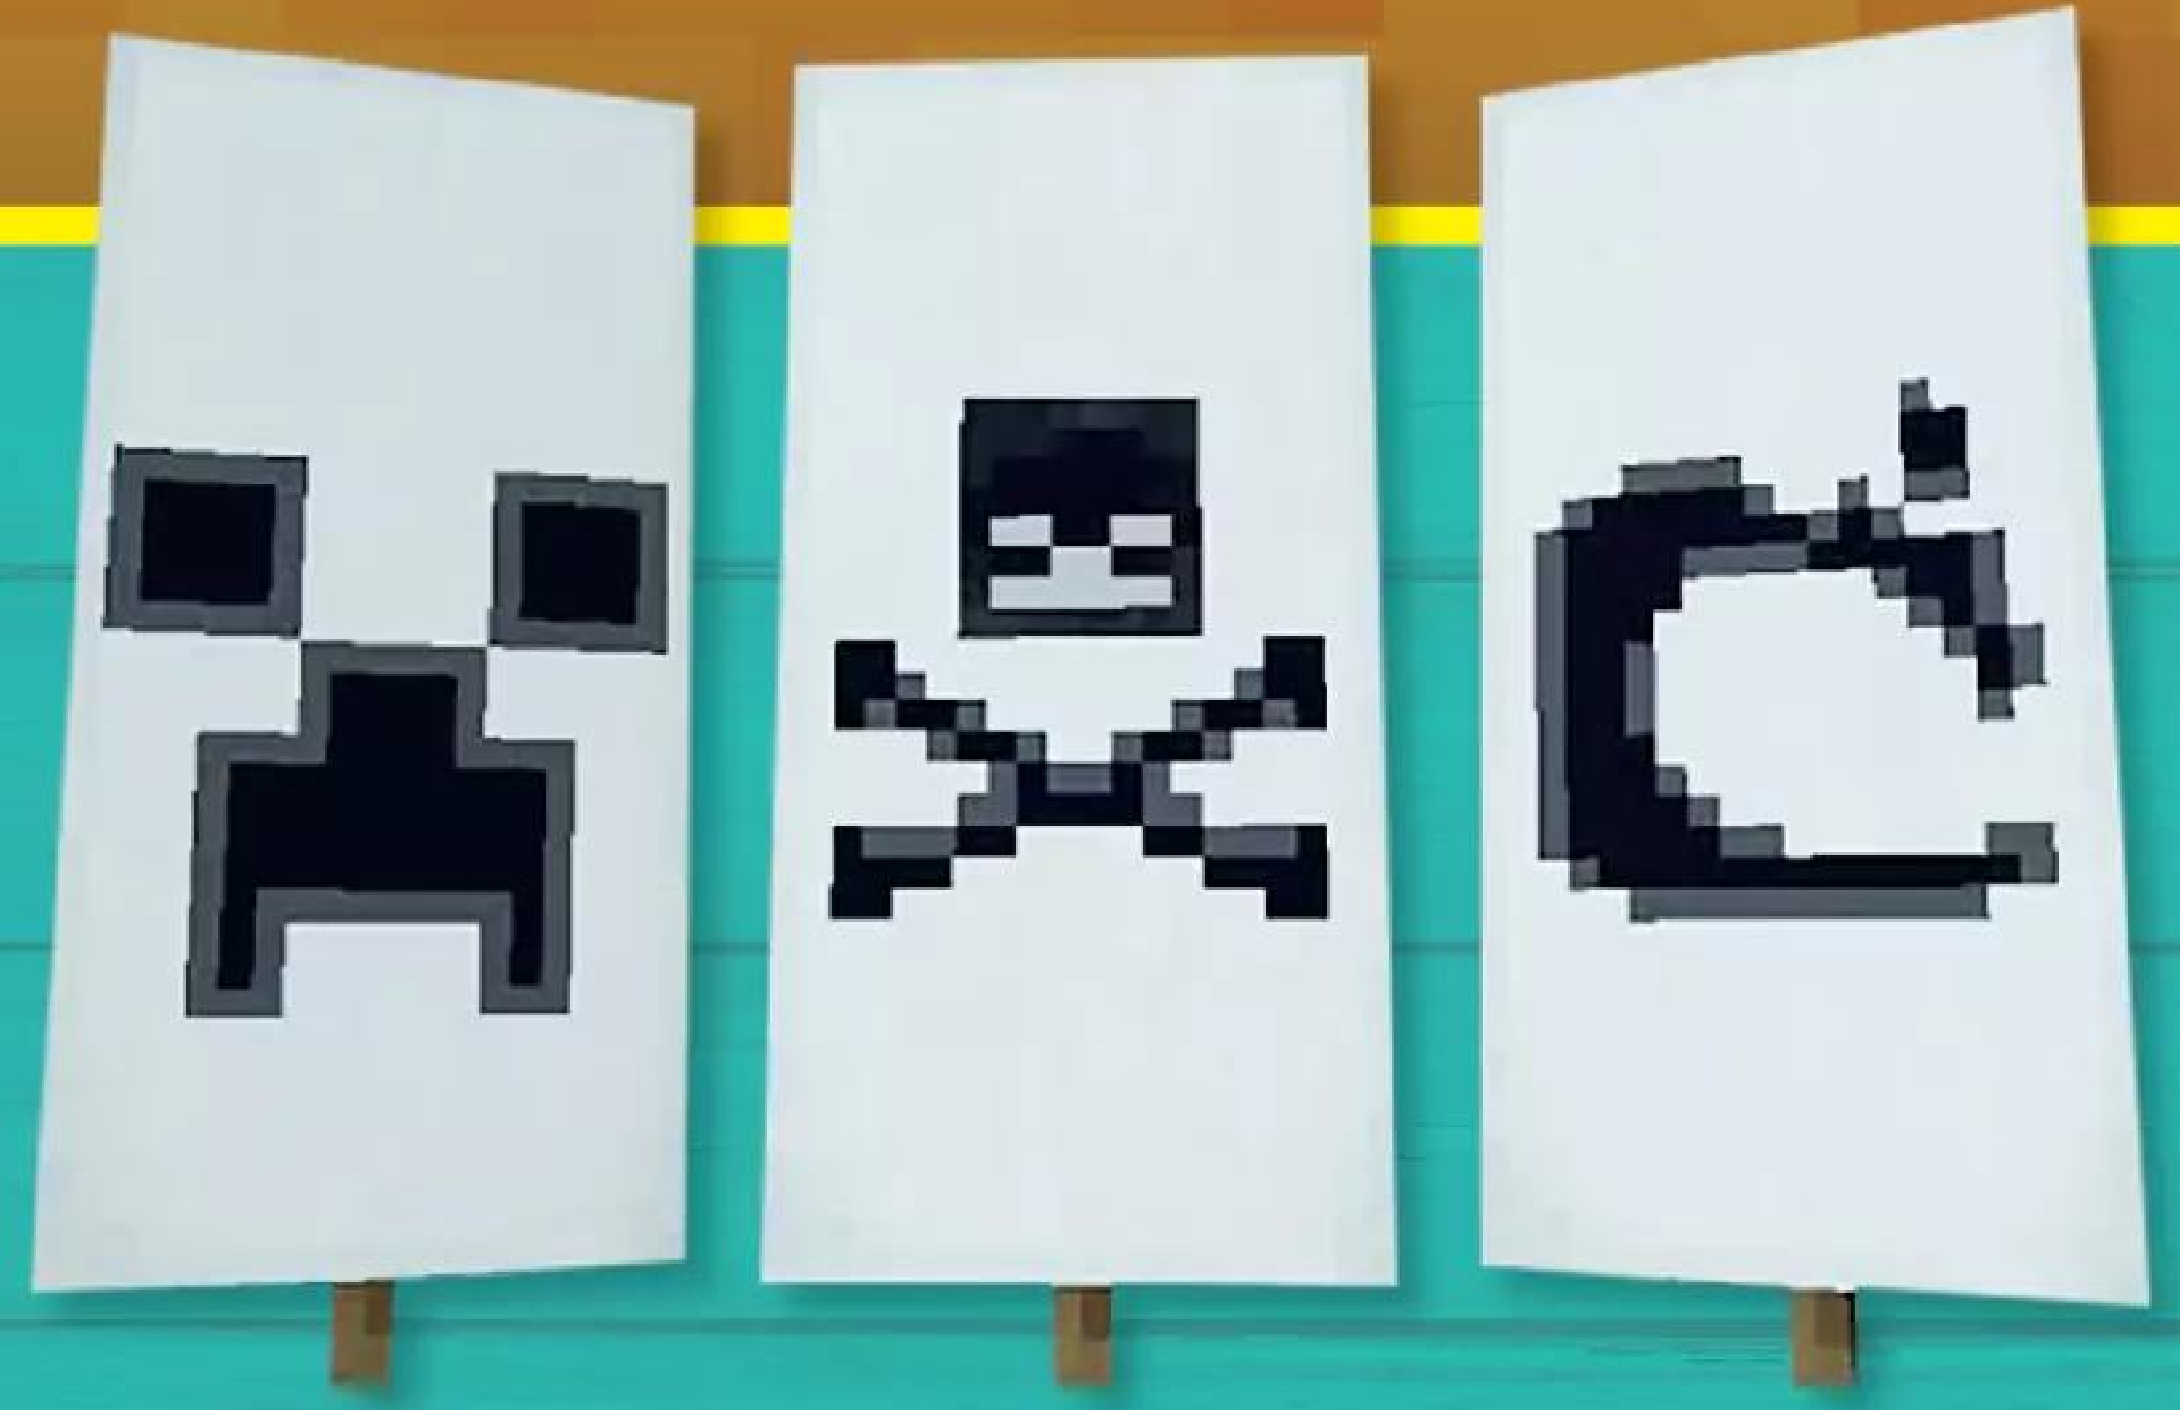
BURIED TREASURE!

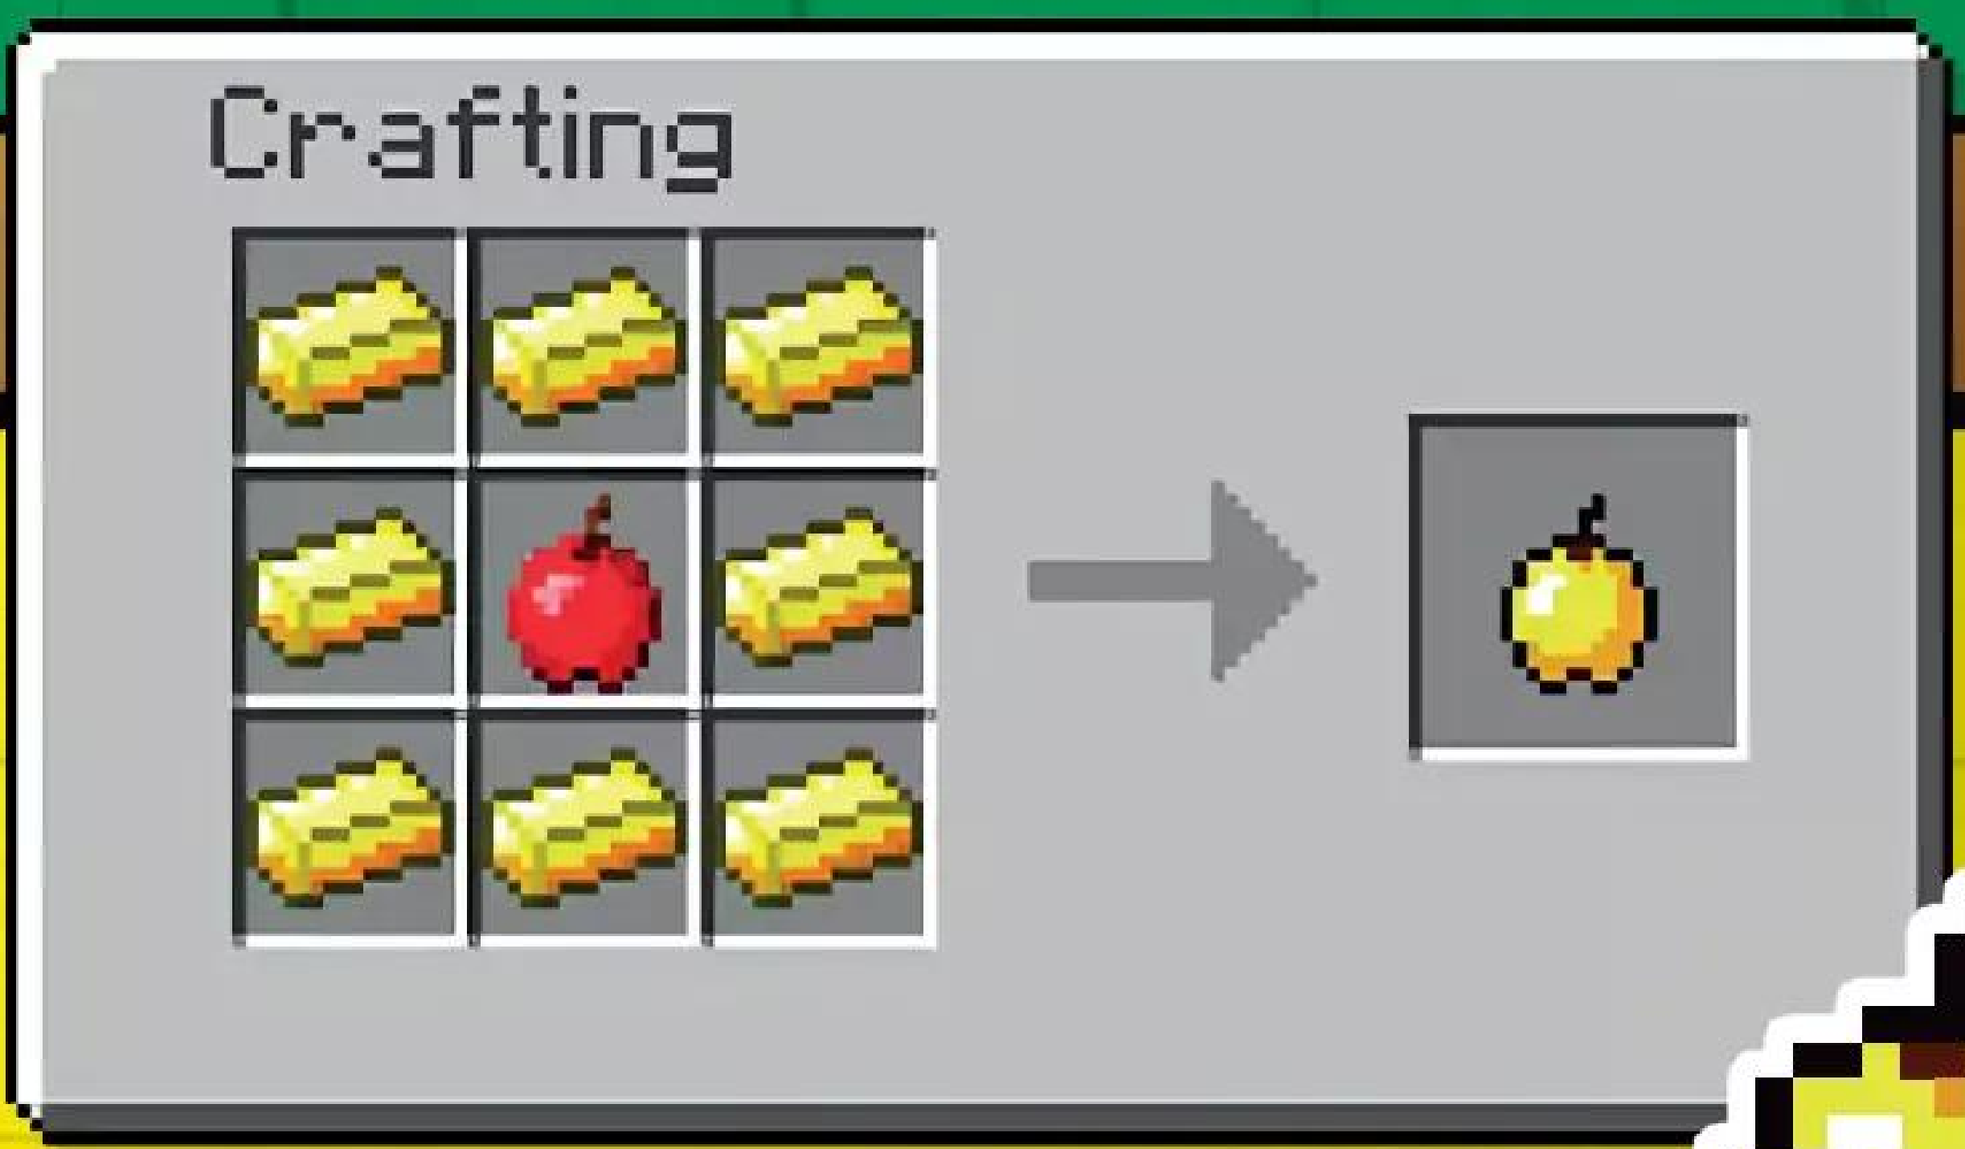
LEAD A LIFE OF TREASURE!
PC

THIS CRAFTY GUIDE WILL TELL YOU ALL ABOUT THE RAREST ITEMS YOU CAN FIND IN MINECRAFT!



BANNER PATTERN

You can combine paper with other items to create banner patterns which can be used to decorate rooms. Give it a go with a **Creeper** head or a **Wither Skeleton** skull to see what happens!

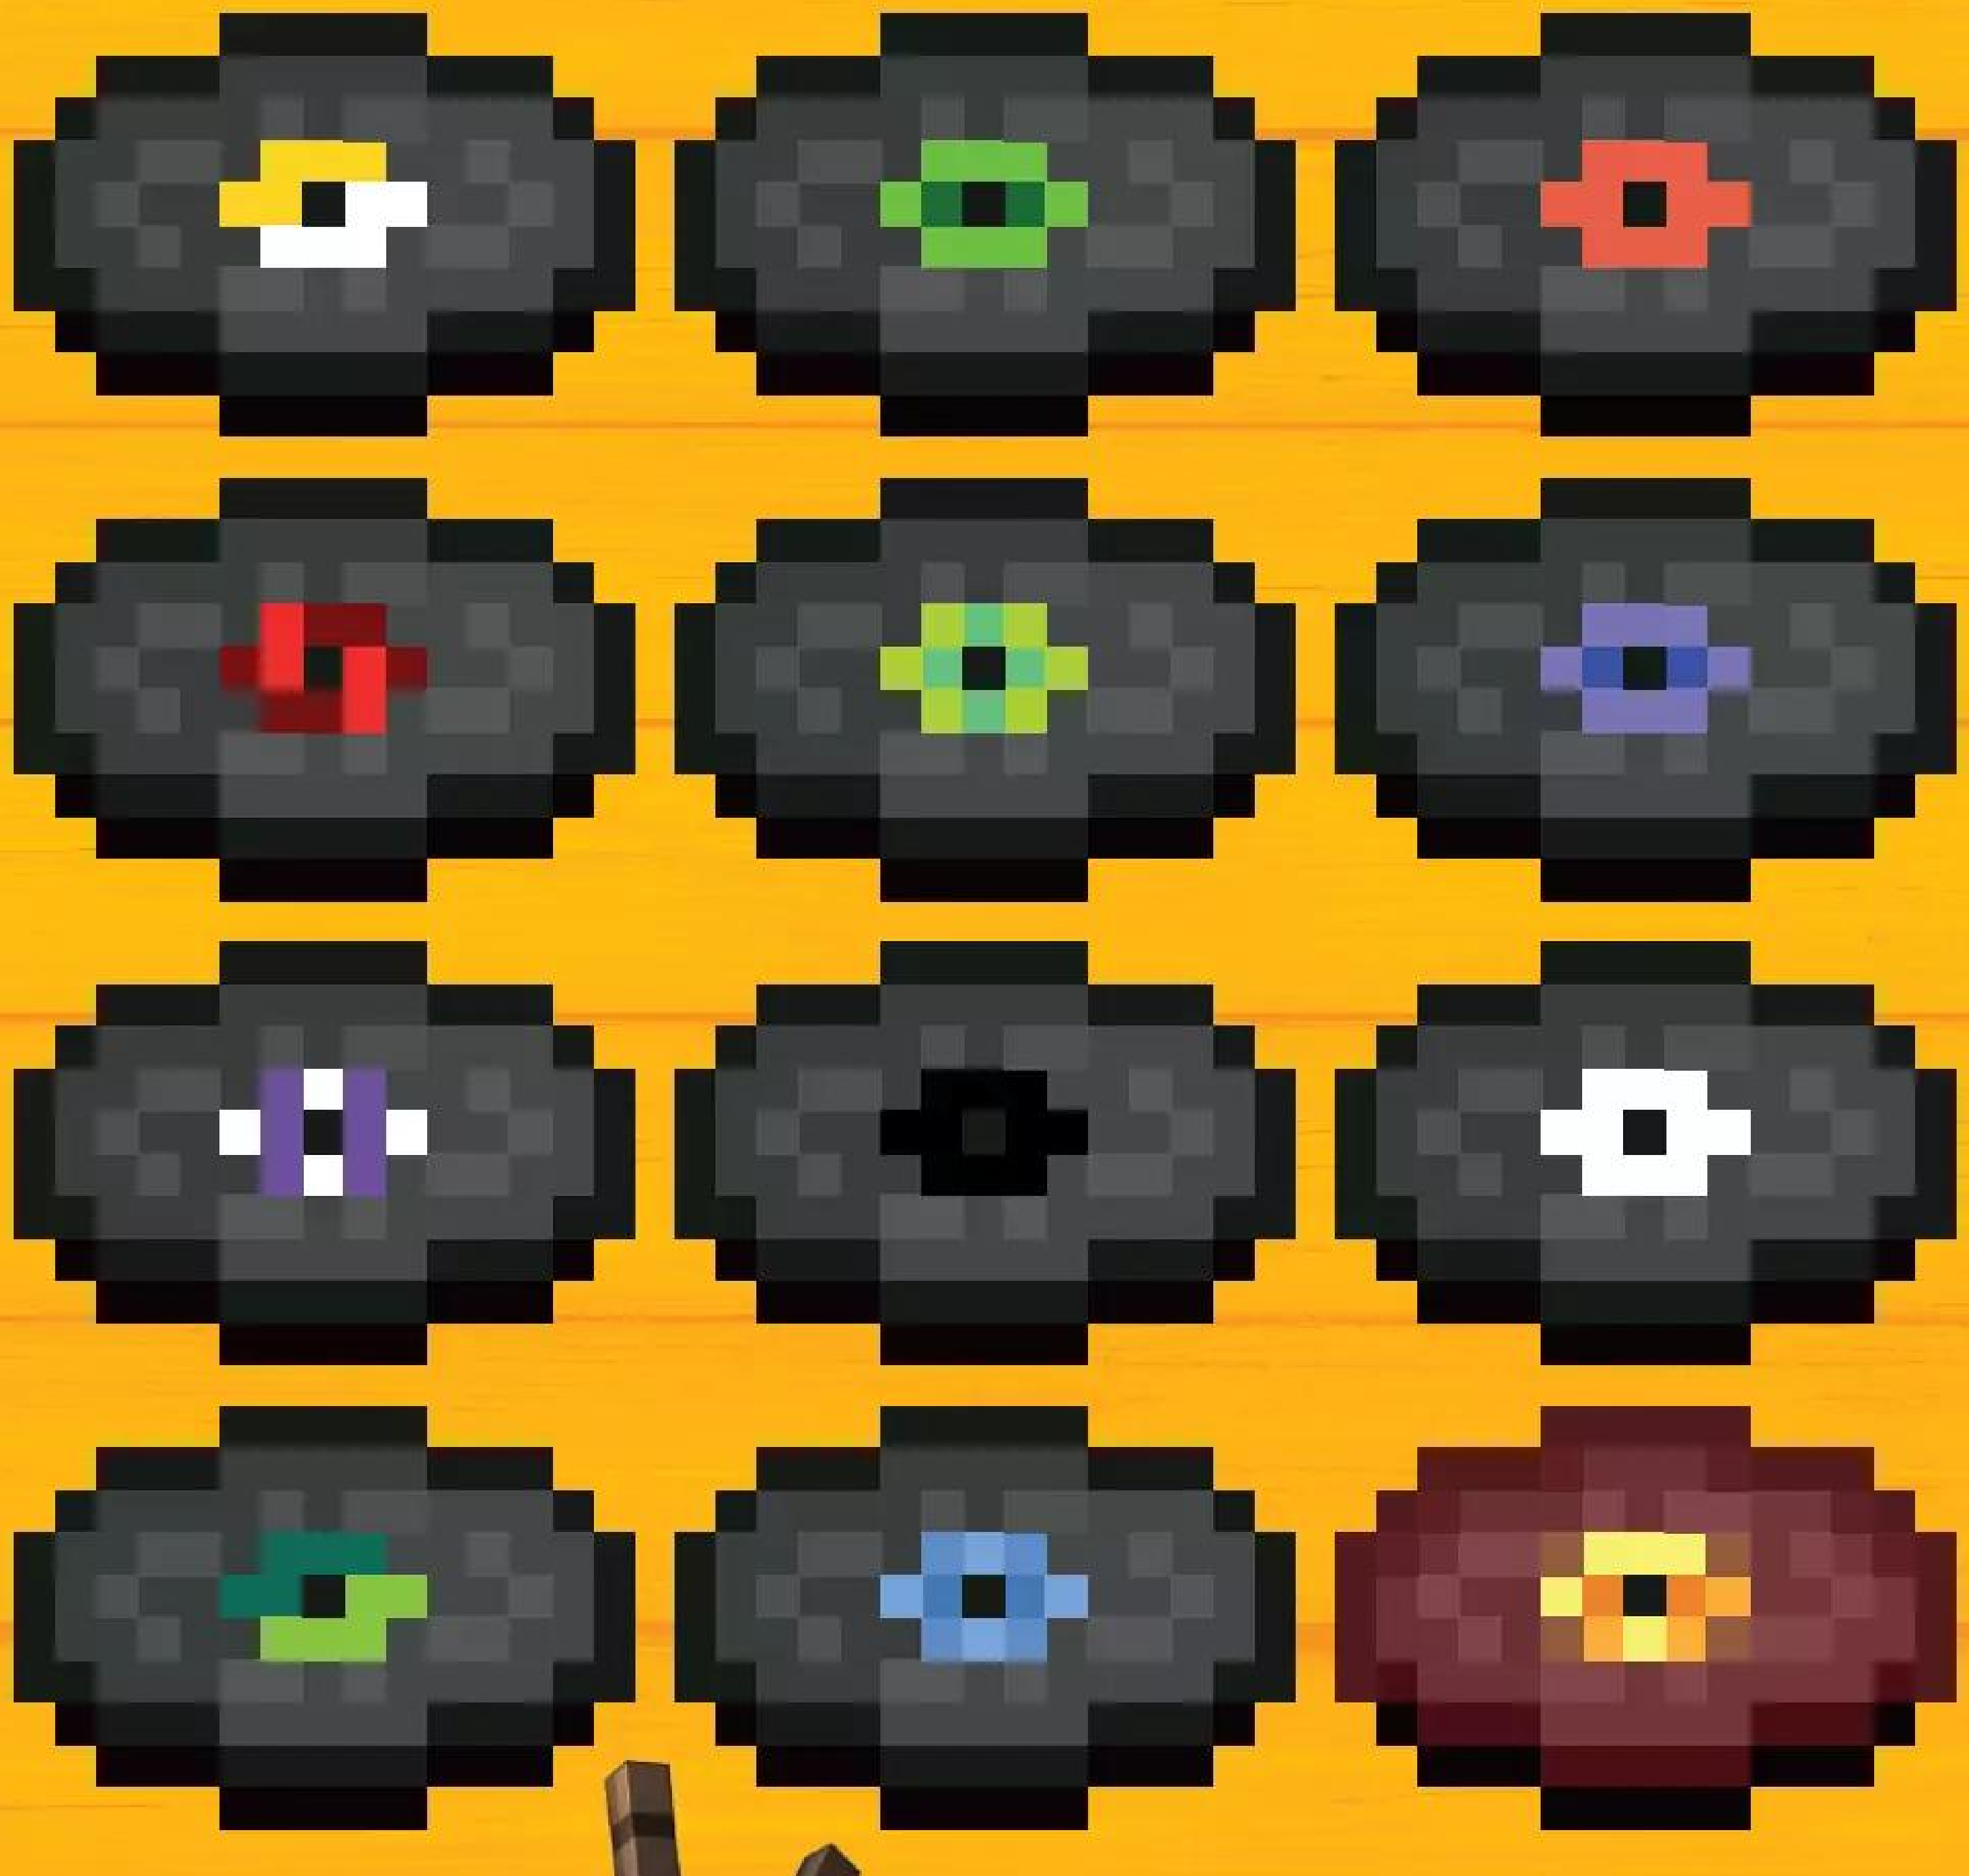


GOLDEN APPLE

Use eight gold ingots and an apple to create the rare golden apple, which will restore and give you extra health through the Absorption I and Regeneration II effects. If you enchant a golden apple, it will become the enchanted golden apple, which is even better!

MUSIC DISCS

Music discs can be played in jukeboxes. There are 19 different kinds and you can either find them in dungeons, ancient cities and woodland mansions or as buried treasure in chests.



YOU'VE GOT CHAINMAIL!

CHAINMAIL ARMOUR

Chainmail is an interesting armour with a unique look. It is only sometimes dropped by **Zombies** and **Skeletons**, so it is quite rare. It can't be crafted, but can be repaired with iron ingots, if you want to keep it in good condition.

JOKE!

What did the Zombie say to the Villager?

Nice to eat you!

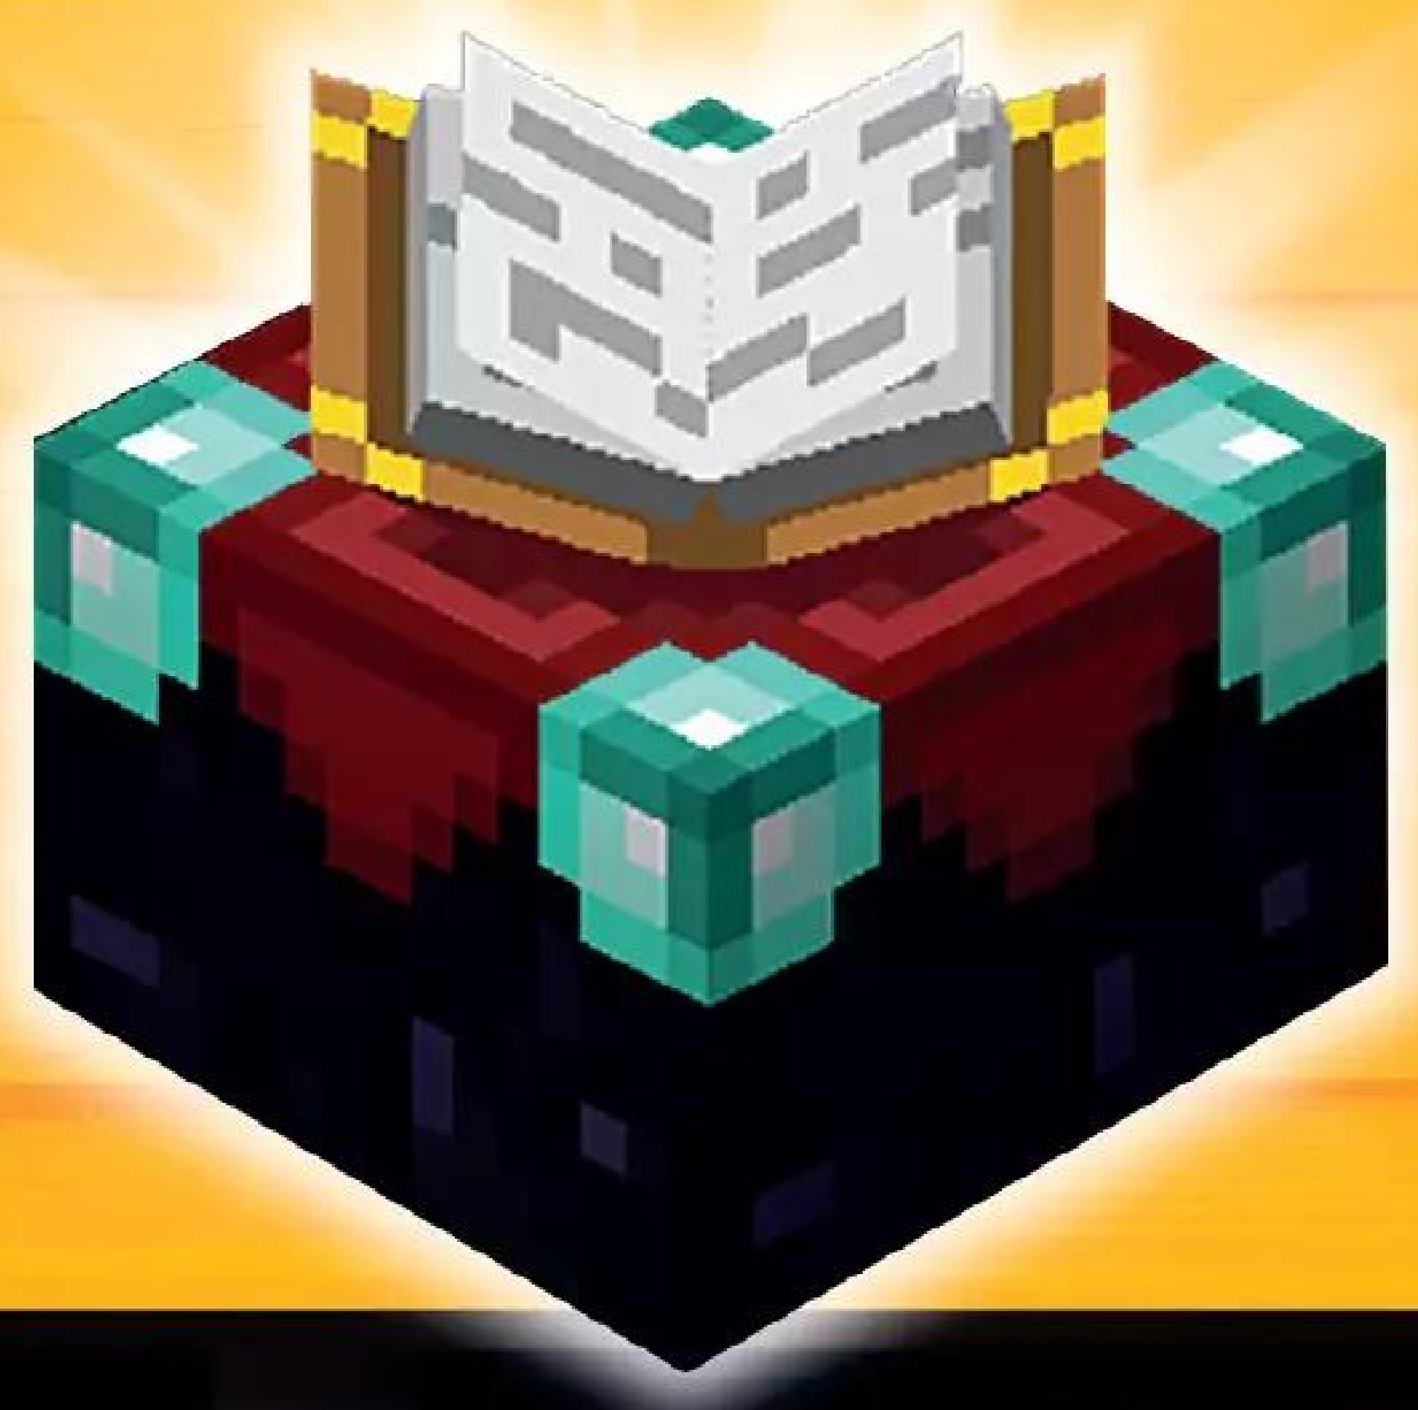
ENCHANTED WEAPONS & ARMOUR

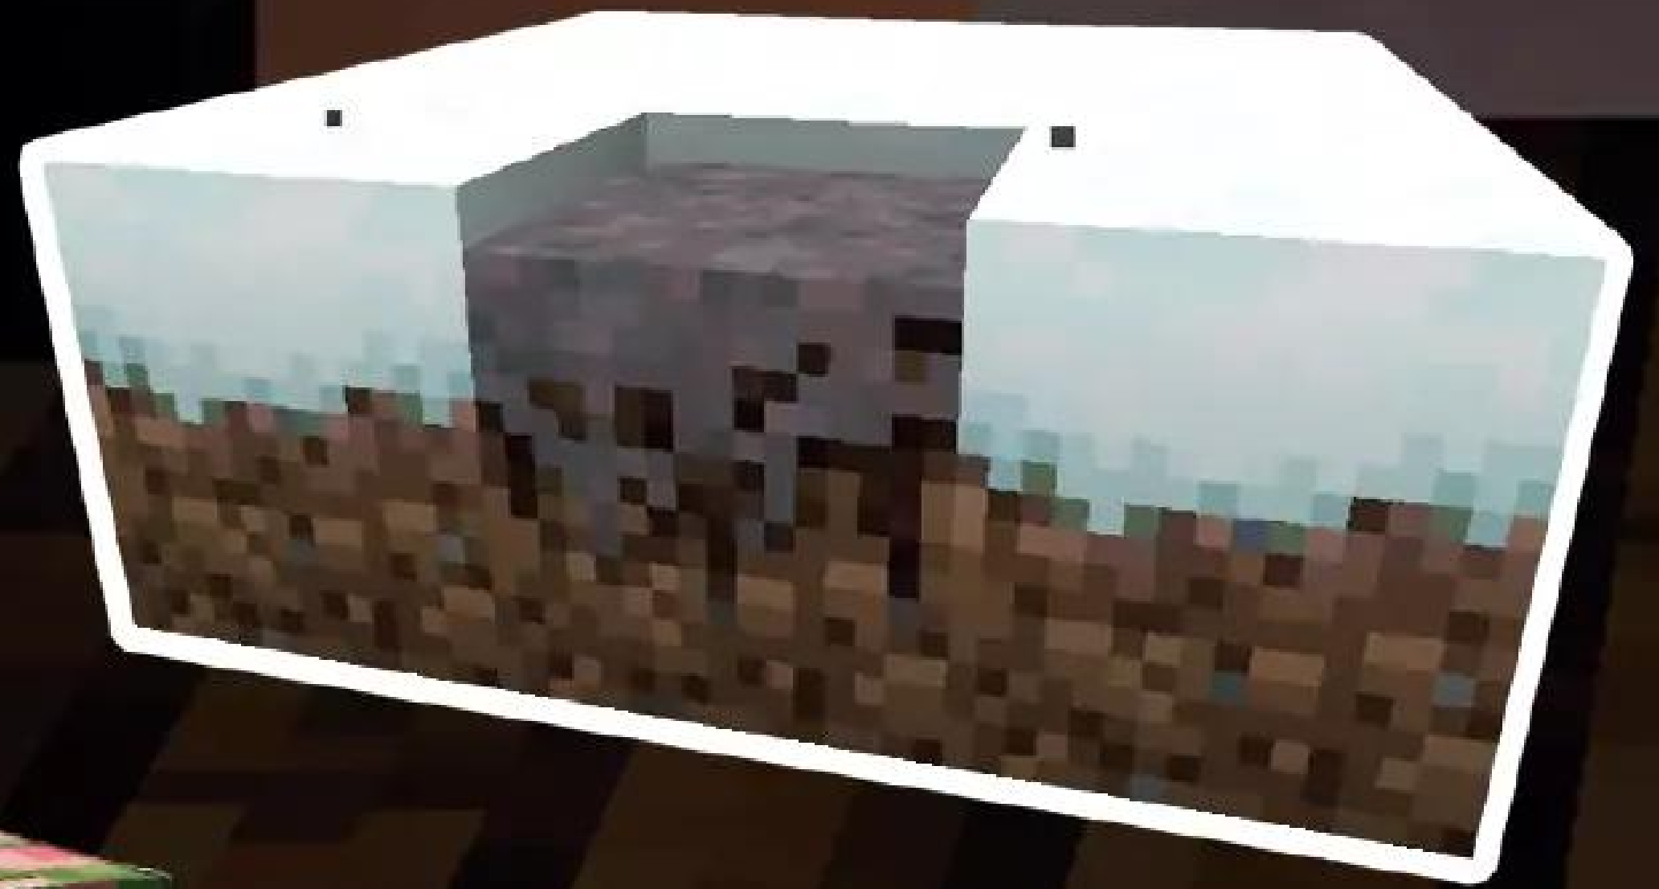
You can enchant weapons and armour (as well as some other items) using an enchanting table. Enchanting tables let you swap your XP points and lapis to give your gear extra abilities. You can make an enchanting table with a book, two diamonds and four obsidian blocks. You can put bookshelves next to an enchanting table to make it look even better!



ENCHANTED TO MEET YOU!

MYCELIUM

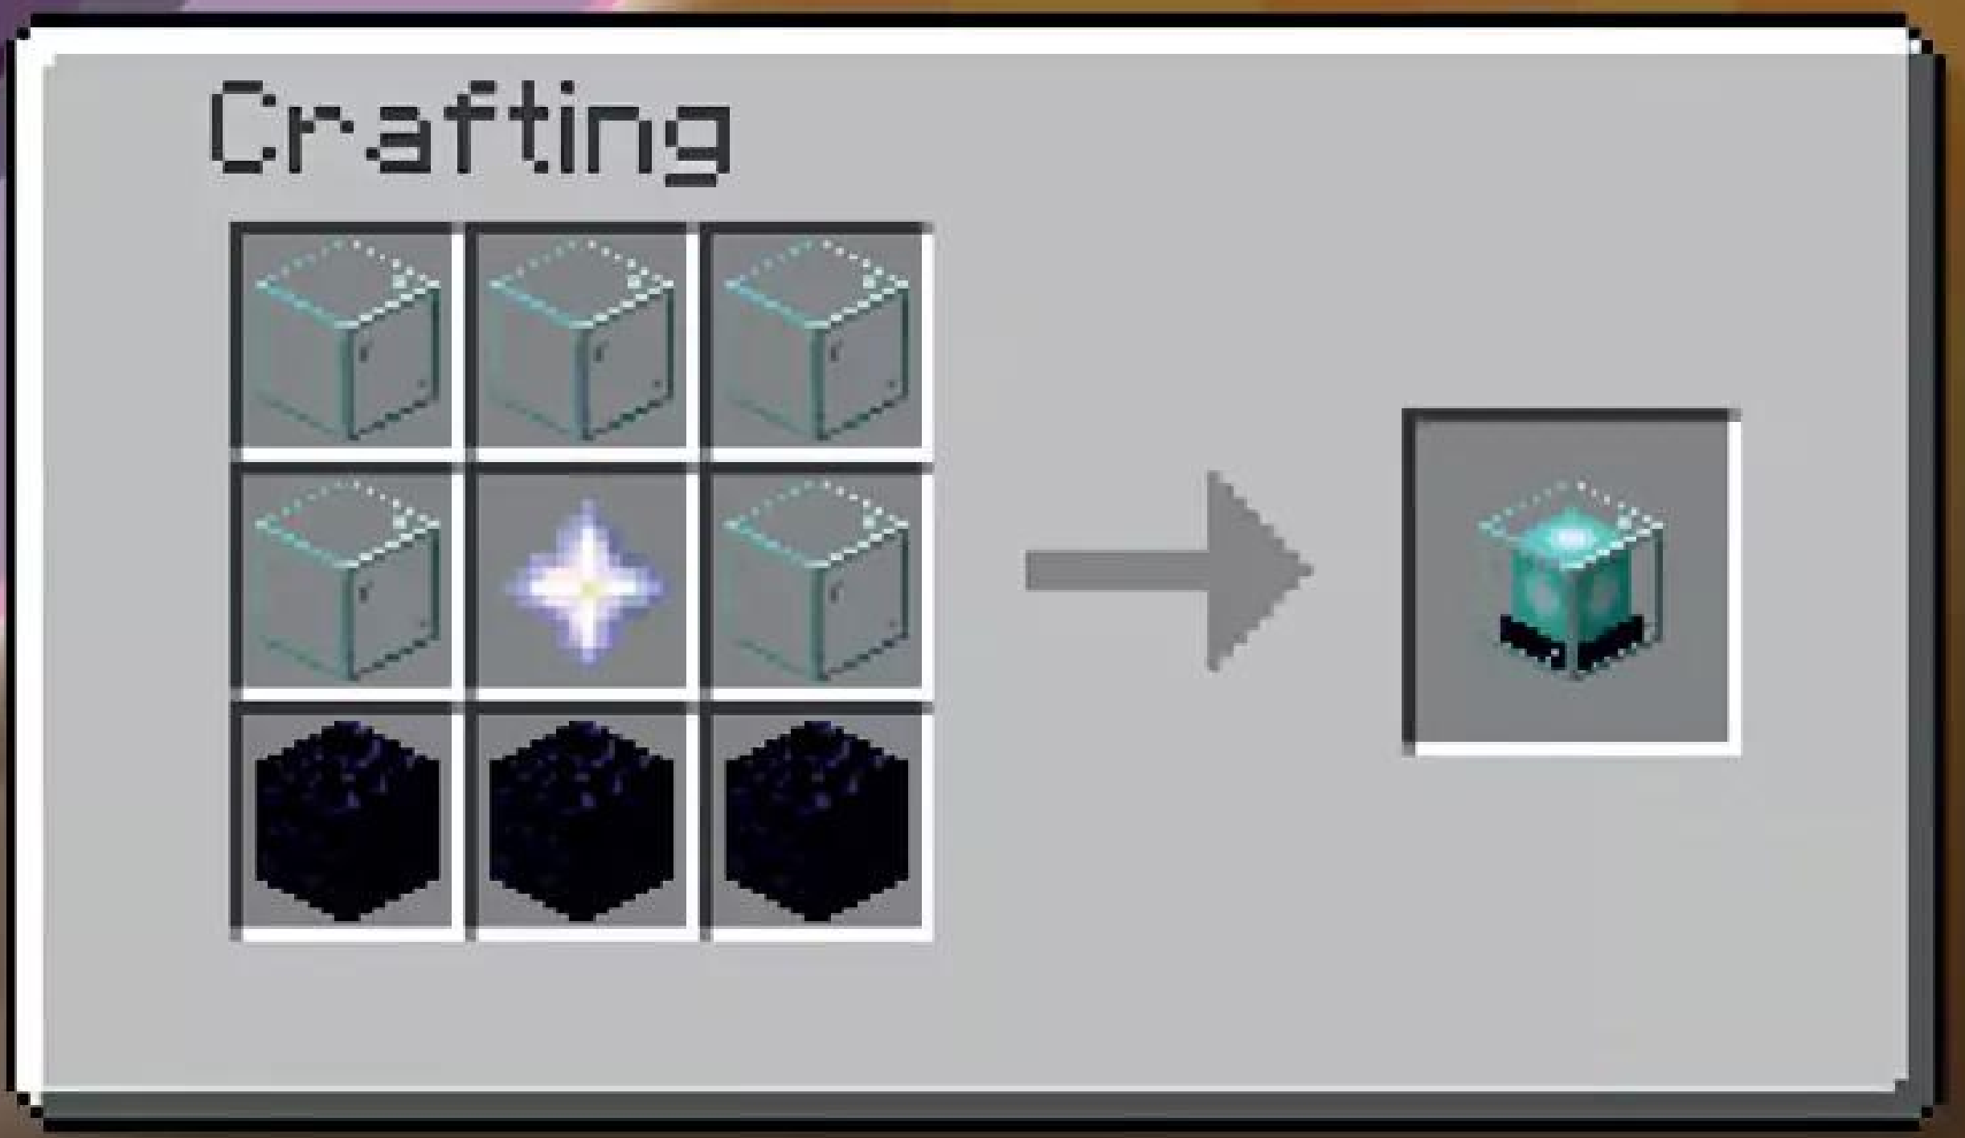
Mycelium is a rare type of grey grass and dirt block which is found only in mushroom fields. It can be used to give your town a creepier look and is great for growing huge mushrooms on. Be careful though, as mycelium loves to spread like a plague! You can sometimes box it in with stone walls to keep it in one area.



JOKE!

Why wouldn't the shrimp share his treasure?

Because he was a little shellfish!



NETHER STAR

You can collect the **Nether** star after defeating a **Wither** boss. Combine the **Nether** star with five glass blocks and three obsidian blocks to create a beacon block that will project beams into the sky that can be seen from afar.

DRAGON EGG

The Dragon egg is one of the rarest item in **Minecraft** and is a trophy you get for defeating the **Ender Dragon**. It can't really be used to do anything... but it will give you some sweet bragging rights if you put it on a podium in your house!

MINE TIME TO SHINE!

EMERALD ORE

Emerald ore is really rare and can only be found in mountains and windswept hills. To grab it, you'll have to use an iron pickaxe or better. Once you have emeralds you can either turn them into fancy blocks or use them to trade with **Villagers** for cool loot!

Tick these boxes off when you've had each of these rare items in your inventory!

Teamwork makes the dream work!

LEVEL UP!

BECOME A MULTIPLAYER MASTER!

TOP TALKER!

★ Communication is key when it comes to top teamwork! From FIFA to Fortnite, the best way to bag that W is by talking to each other – and listening to each other, too! Sharing strategies and plans is just as important as sharing loot locations or any incoming threats. Encouraging each other can also give you the boost you need to take the victory!

TAKE TURNS!

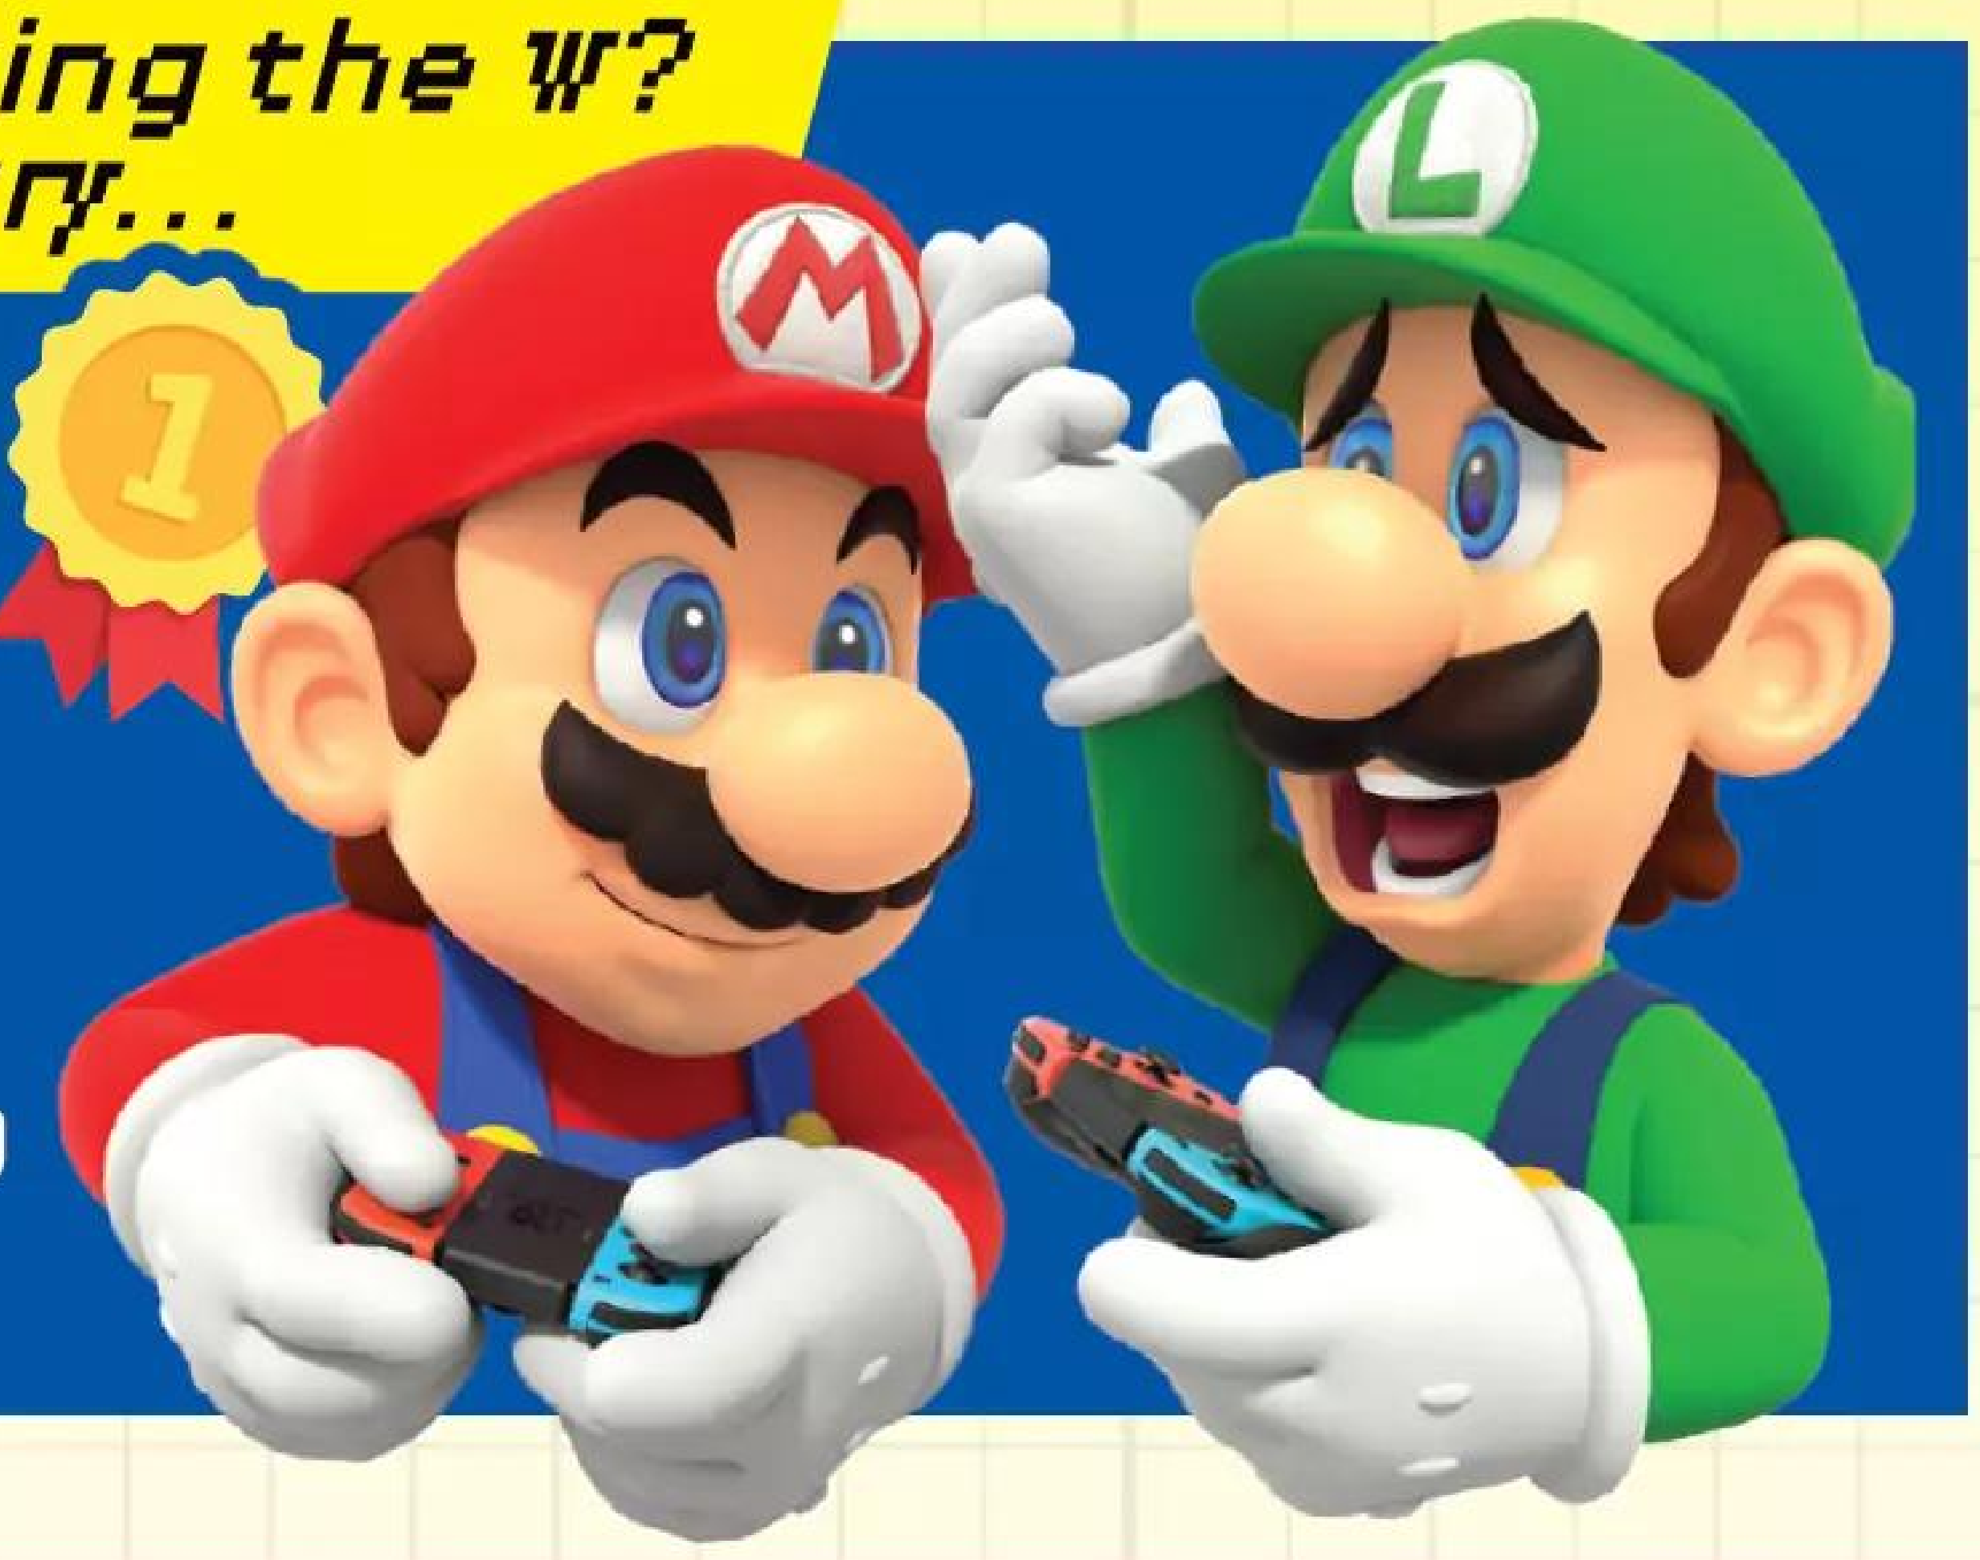
★ Everyone has different strengths and weaknesses and that's OK! But if your team is struggling to come out on top, try switching up roles. Take turns playing different positions, from defensive to attacking, leader or support. Not only will you develop your skills in other areas of the game, but it can also help you see things from a new perspective too.

POST-GAME PRO!

★ As important as talking during the game is, it's also super-important to chat afterwards too! It doesn't matter if you win or lose, thinking about the things that you did well (or not so well!) after a game can give you some tips and tricks to take into your next game, so you can keep the Ws coming!

WAYS TO WIN!

Not getting the W? Why not try...



Losing! If you're already on a bit of a losing streak, there's no harm in losing a few more games! Instead of focusing on trying to win, pay attention to what your opponent is doing that gives them the edge. You might be able to pick up a few strategies that you can try out to get the win next time!

POWER UP!

In Super Smash Bros, you can transform into the monstrous Giga Bowser and take out your rivals with one devastating punch!

DAMAGE ALERT!

Bowser is so heavy that he takes ages to get moving in Mario Kart and turns corners like a lorry full of elephants.

DID YOU KNOW?

Bowser first roared onto our screens 40 years ago in 1985's Super Mario Bros.

He might be Mario's most famous nemesis, but he wasn't the first. Mario made his debut in a 1981 arcade game where he battled Donkey Kong!

Bowser has appeared in more than 150 games, making him by far the busiest baddie in gaming history!

He has showed off all kinds of skills to go with his epic strength, from breathing fire to teleportation. In Super Paper Mario, Bowser even somehow breathes fire underwater!

NOT JUST NINTENDO...

Other Nintendo consoles have struggled to back up their big names with enough games. This time, though, it looks like the Japanese giant has understood the assignment. There are lots of big-hitters heading for Switch 2 to join Mario and co, including updated versions of **Final Fantasy VII Remake** and **Star Wars Outlaws**, plus EA FC and WWE games down the road.

OLDIES BUT GOODIES

Loads of old Switch games can be played on the new console, so there's plenty to do from day one. Better yet, two classic Zelda games – **Breath of the Wild** and **Tears of the Kingdom** – are getting upgraded editions with better graphics. Yes please!

THE DOS & DON'TS OF...

LEGO
FORTNITE

DO

COLLECT LIKE CRAZY

It's always worth collecting more materials than you immediately need, as you'll definitely find them useful before too long. This is especially true for wood and granite – stock up as much of that crafty goodness as you can!

PREPARE FOR STAIRS

In case you didn't know, stairs are not just for buildings! You can plonk them anywhere and everywhere, which is very handy for reaching chests in caves or ledges on cliffs. So be sure to have some wood at the ready.

GET CHARMING

There's only one way to pump up your max health, and that's with Charms. Get looking for the materials you need to make them, or you won't stand a chance later on when the game gets really tough.

DON'T

GO IT ALONE

It's tempting to play the lone hero who bosses the game single-handed, but this is a surefire way to die very quickly. Instead, recruit some NPCs to join your adventures – they will help/fight with whatever you need them to.

EXPLORE TOO EAGERLY

All those other biomes sure look interesting... but wait! Each new world brings an extra dollop of danger, so don't go exploring until you've levelled-up your gear and got enough supplies to last several LEGO lifetimes.

LEAVE YOUR LOOT IN A MESS

It sounds boring, but organising your stuff is what separates the pros from the rest. Using storage smartly from the start makes it much easier to find and use items later, saving you literally hours further into the game.

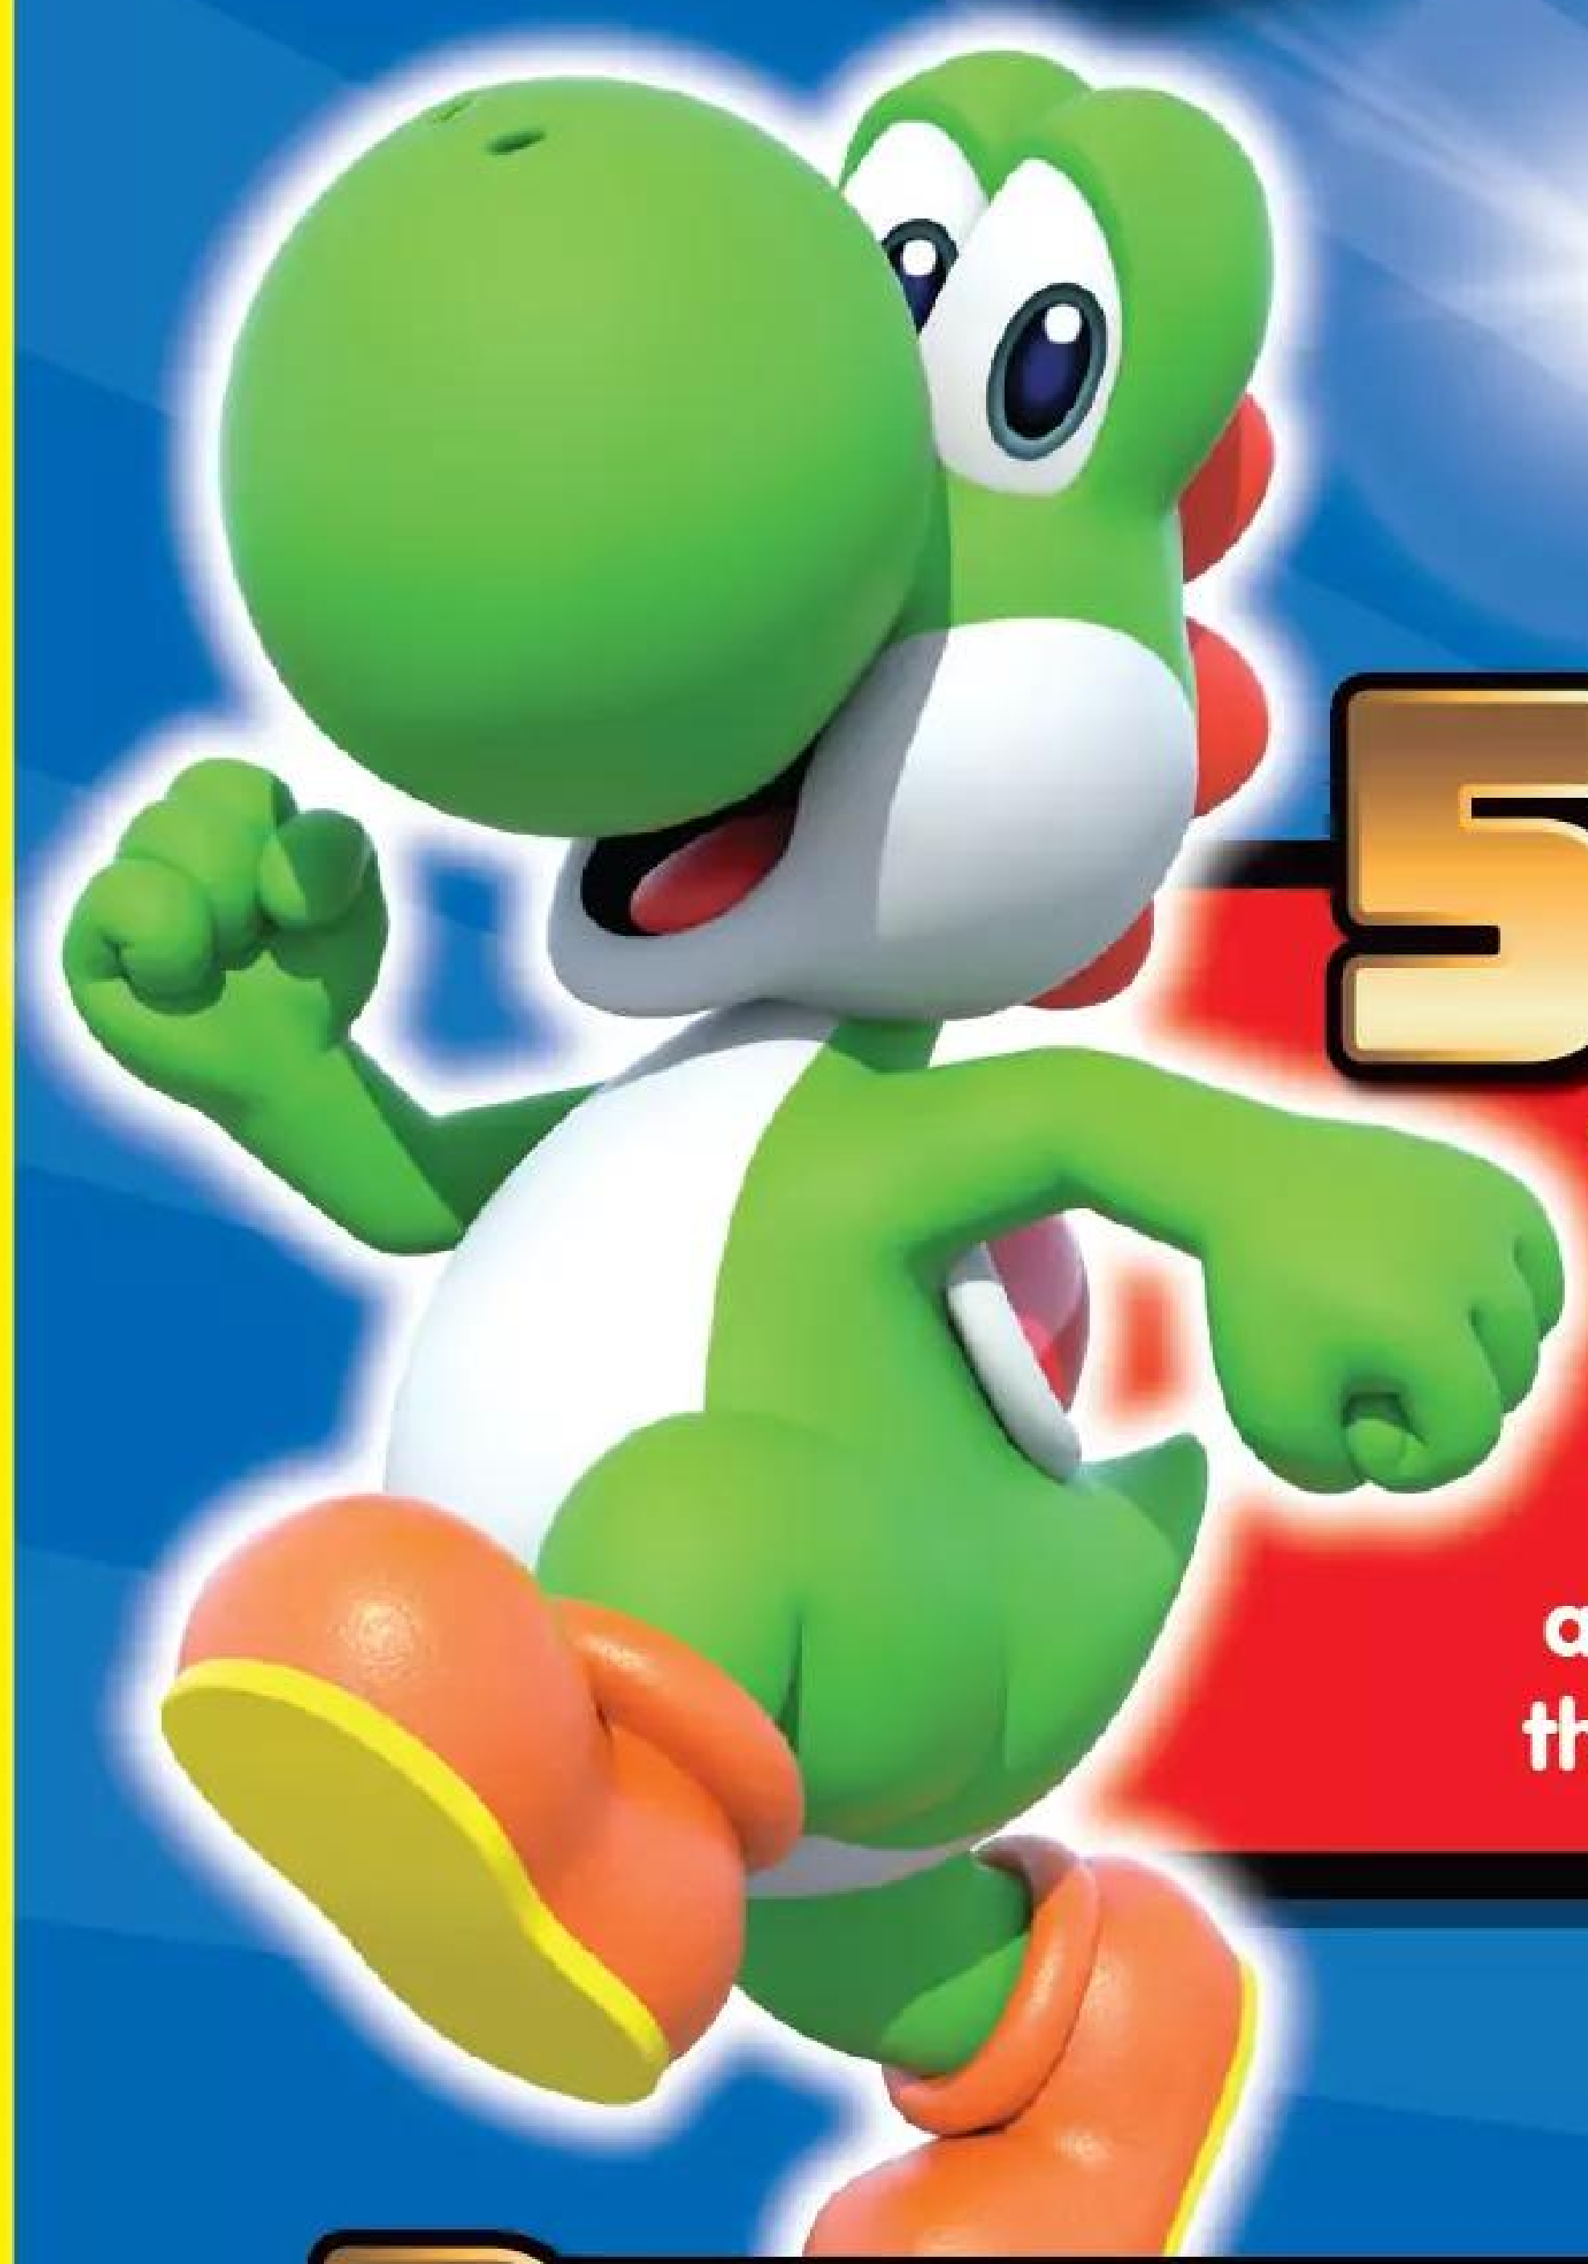
LET'S HEAR IT FOR
THE HEROES

MUSHROOM
ALL-ST

THESE ARE WHO WE THINK
KINGDOM HEROES AND



5 YOSHI

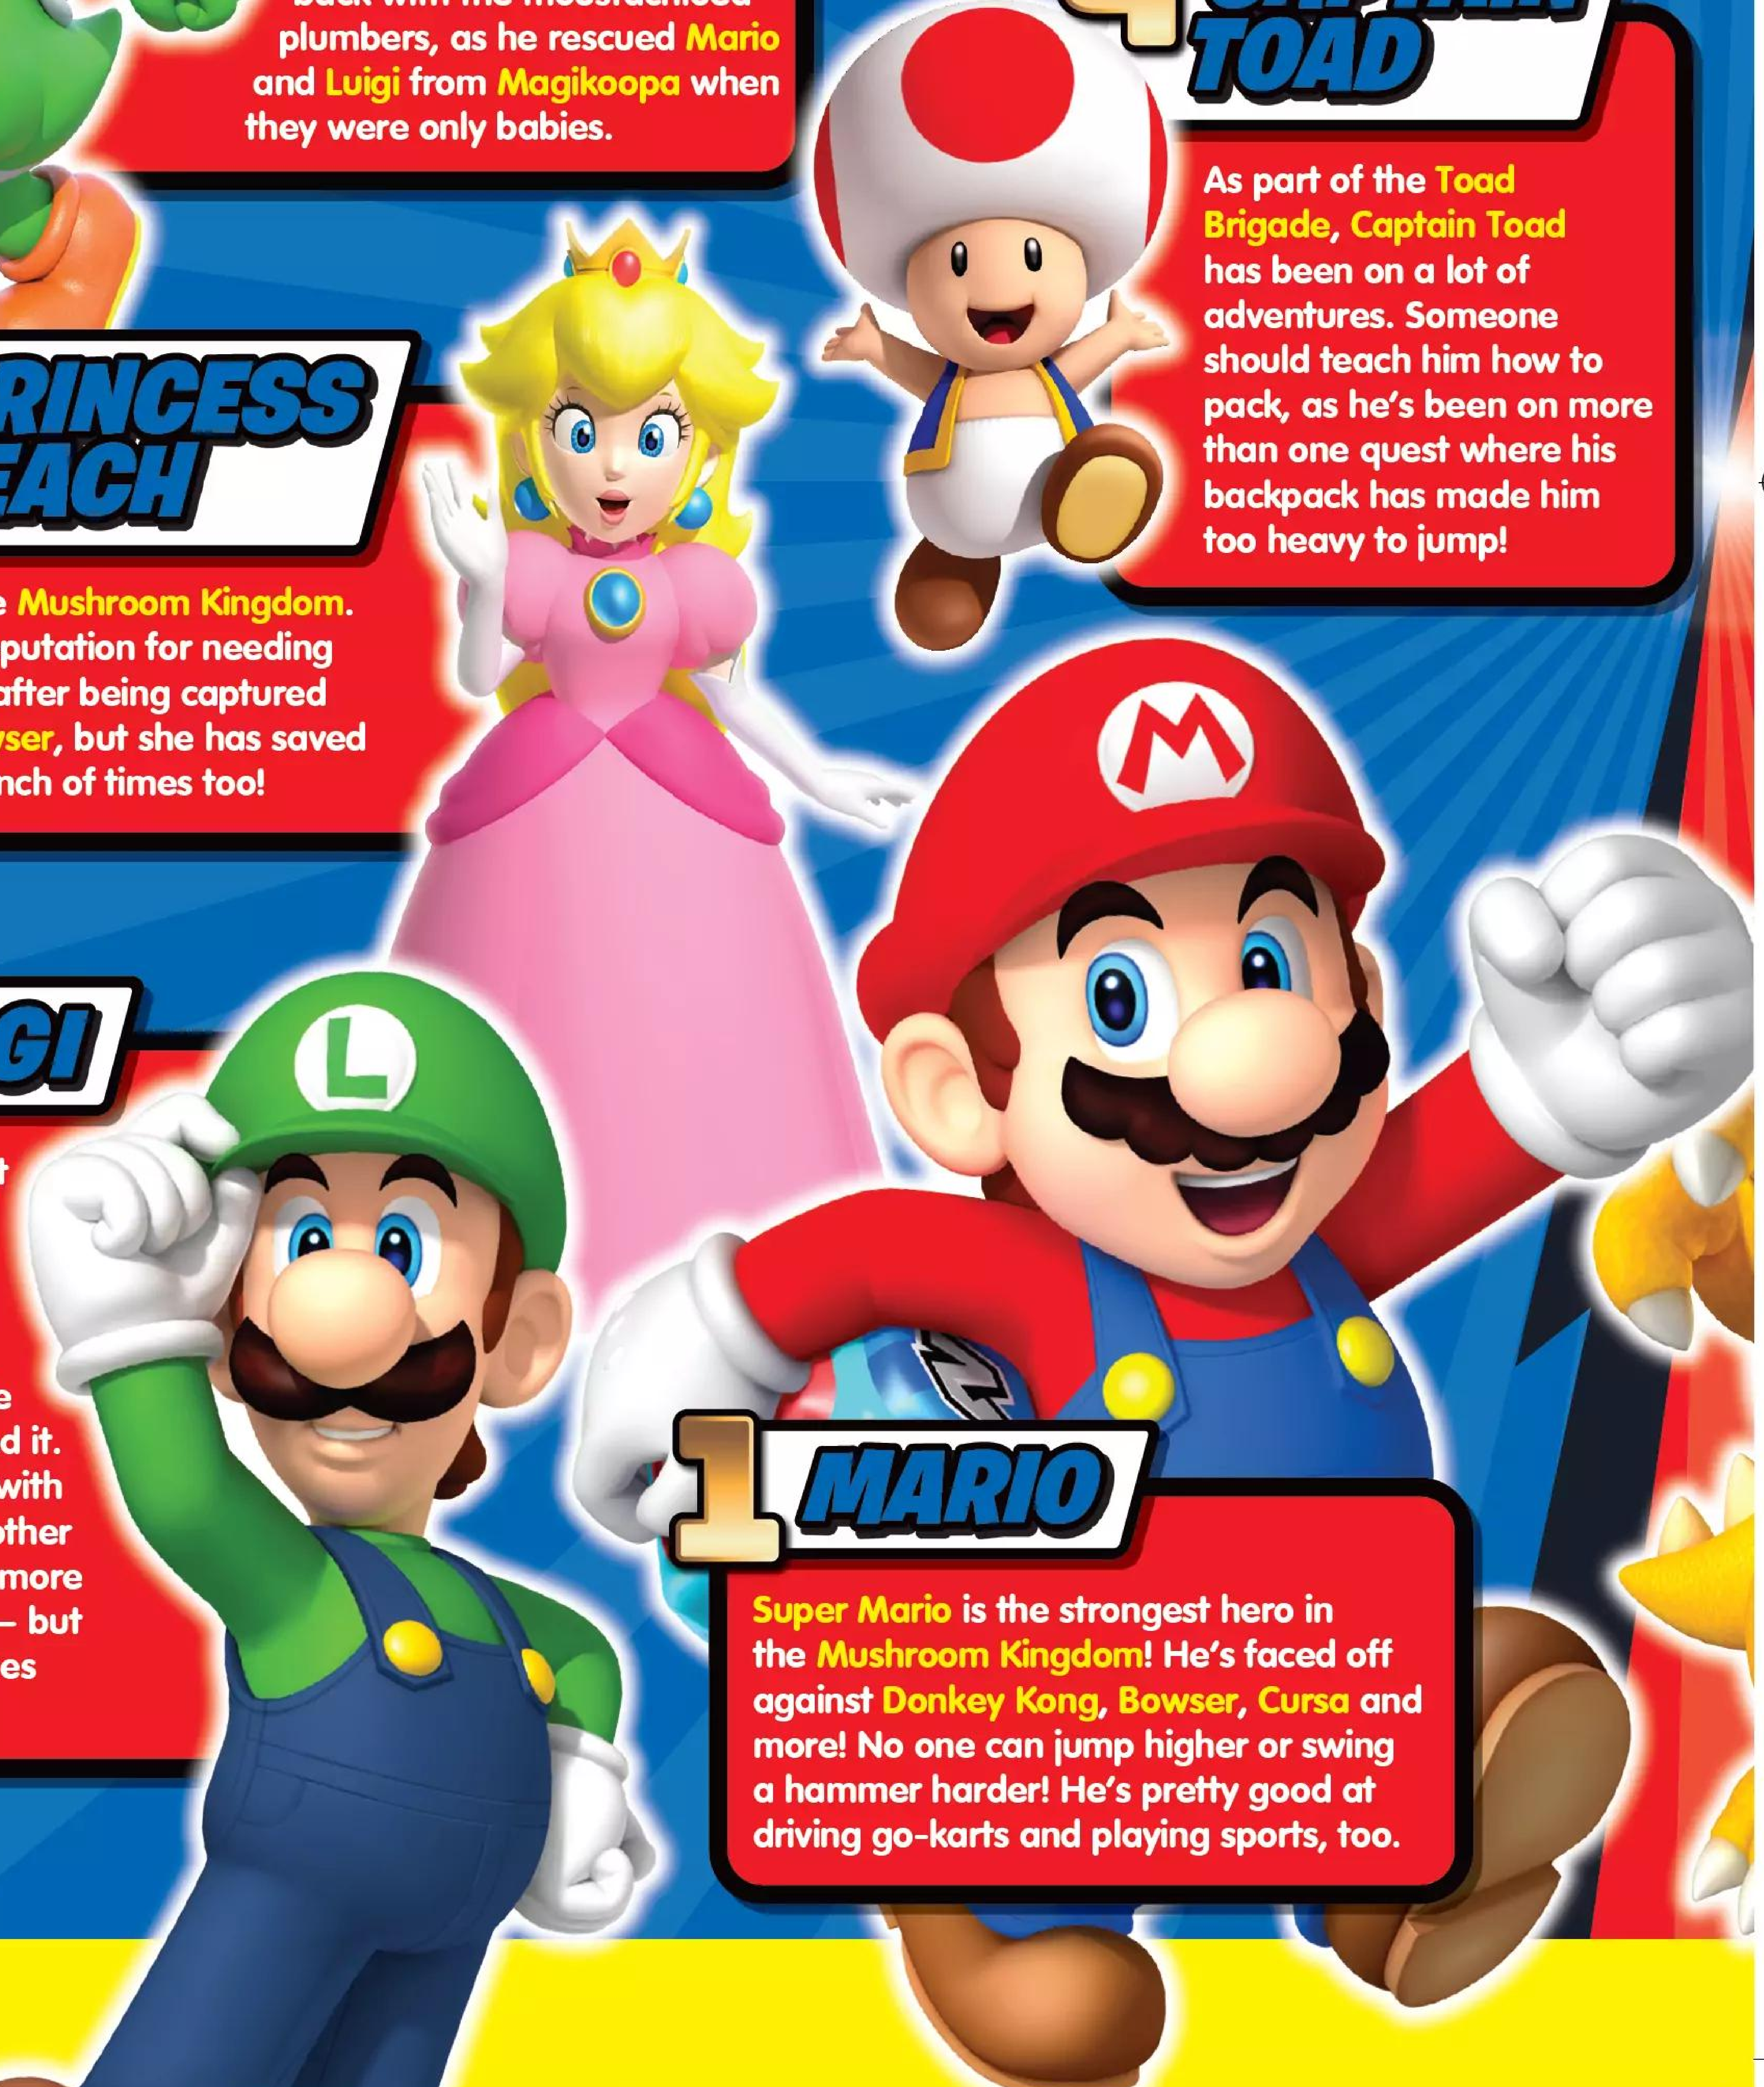
Yoshi is a dinosaur that loves to eat fruit. He goes way back with the moustachioed plumbers, as he rescued **Mario** and **Luigi** from **Magikoopa** when they were only babies.

4 CAPTAIN TOAD

As part of the **Toad Brigade**, **Captain Toad** has been on a lot of adventures. Someone should teach him how to pack, as he's been on more than one quest where his backpack has made him too heavy to jump!

3 PRINCESS PEACH

The ruler of the **Mushroom Kingdom**. **Peach** has a reputation for needing to be rescued after being captured by the evil **Bowser**, but she has saved the world a bunch of times too!



2 LUIGI

While he's a bit of a scaredy cat, **Luigi** is a hero in his own right and will help people when they need it. **Luigi** faces off with **King Boo** and other spooky ghosts more than he'd like – but he always comes out on top!

1 MARIO

Super Mario is the strongest hero in the **Mushroom Kingdom**! He's faced off against **Donkey Kong**, **Bowser**, **Cursa** and more! No one can jump higher or swing a hammer harder! He's pretty good at driving go-karts and playing sports, too.

KINGDOM ARS!

ARE THE BEST MUSHROOM VILLAINS OF ALL TIME!

WATCH OUT FOR THE VILLAINS

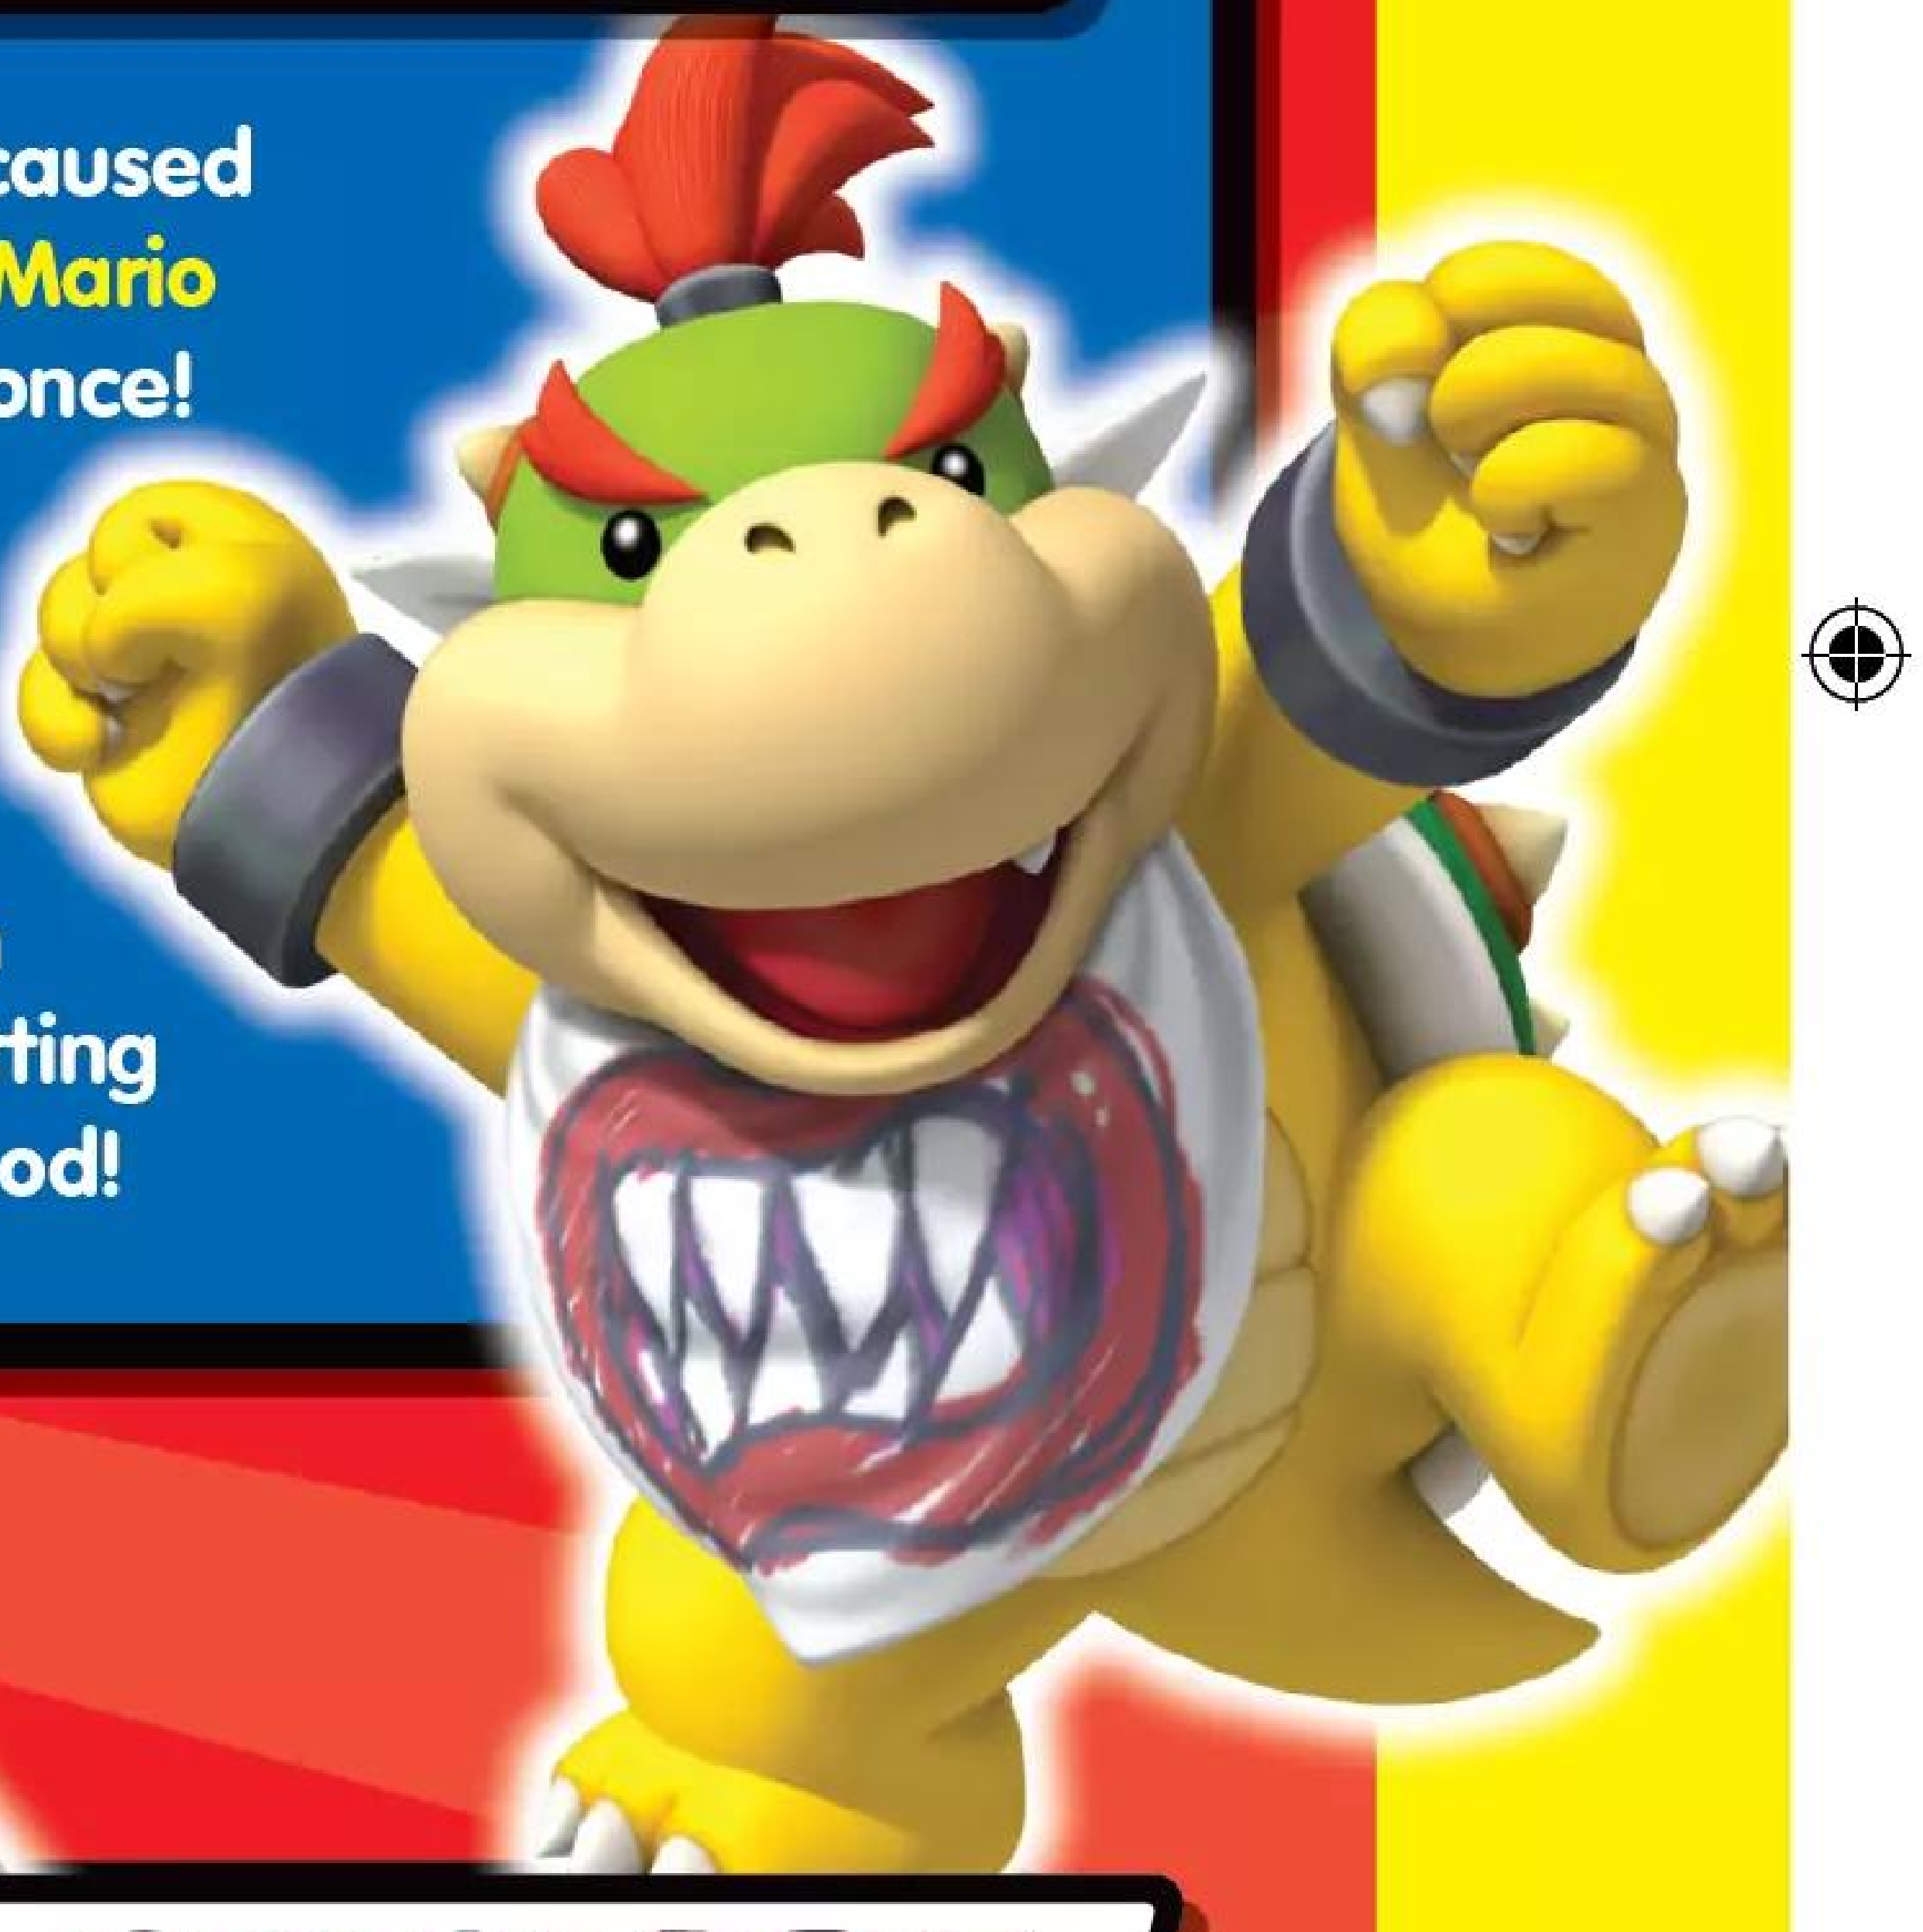
5 KOOPA TROOPA

Koopas are turtles that walk on two legs. A lot of them are the foot soldiers of the **Koopa Troop**, an army that serves **Bowser**. When they're jumped on, they'll often lose their shells!

4 KAMEK

Kamek also goes by **Magikoopa**. He's **Bowser's** oldest friend and is a powerful wizard that used to babysit the king of the **Koopas** when he was little. He continues to watch out for him even now that he's all grown up!

3 BOWSER JR.



Junior has caused trouble for **Mario** more than once! He really just wants to impress his dad, which often involves getting up to no good!

2 GOOMBA

A lot of **Goombas** used to live in the **Mushroom Kingdom**, but most of them moved out when they teamed up with **Bowser**! They also seem to like jumping around in big shoes, although no one has ever explained why...

1 BOWSER

Bowser is **Mario's** biggest and baddest enemy! He is king of the **Koopa Troopas**, and often has them help him steal extremely powerful, magical objects. In his diary, he once wrote about having a secret crush on **Princess Peach**.

4 Throw it your lunch ☐
5 Run at it, screaming ☐

YOUR SCORE ☐

4-9
ANCHOR

You don't need anyone else and like to hang back to see what goes down. Long-range anchor weapons are what you're all about!

10-15
SUPPORT

You work hard and are always ready to help somebody out. You're the support gunslinger everyone loves to have on their team!

16-20
SLAYER

You're a bit bonkers and will pile into any situation without thinking. Slayer weapons let you blaze in and rack up the splats!

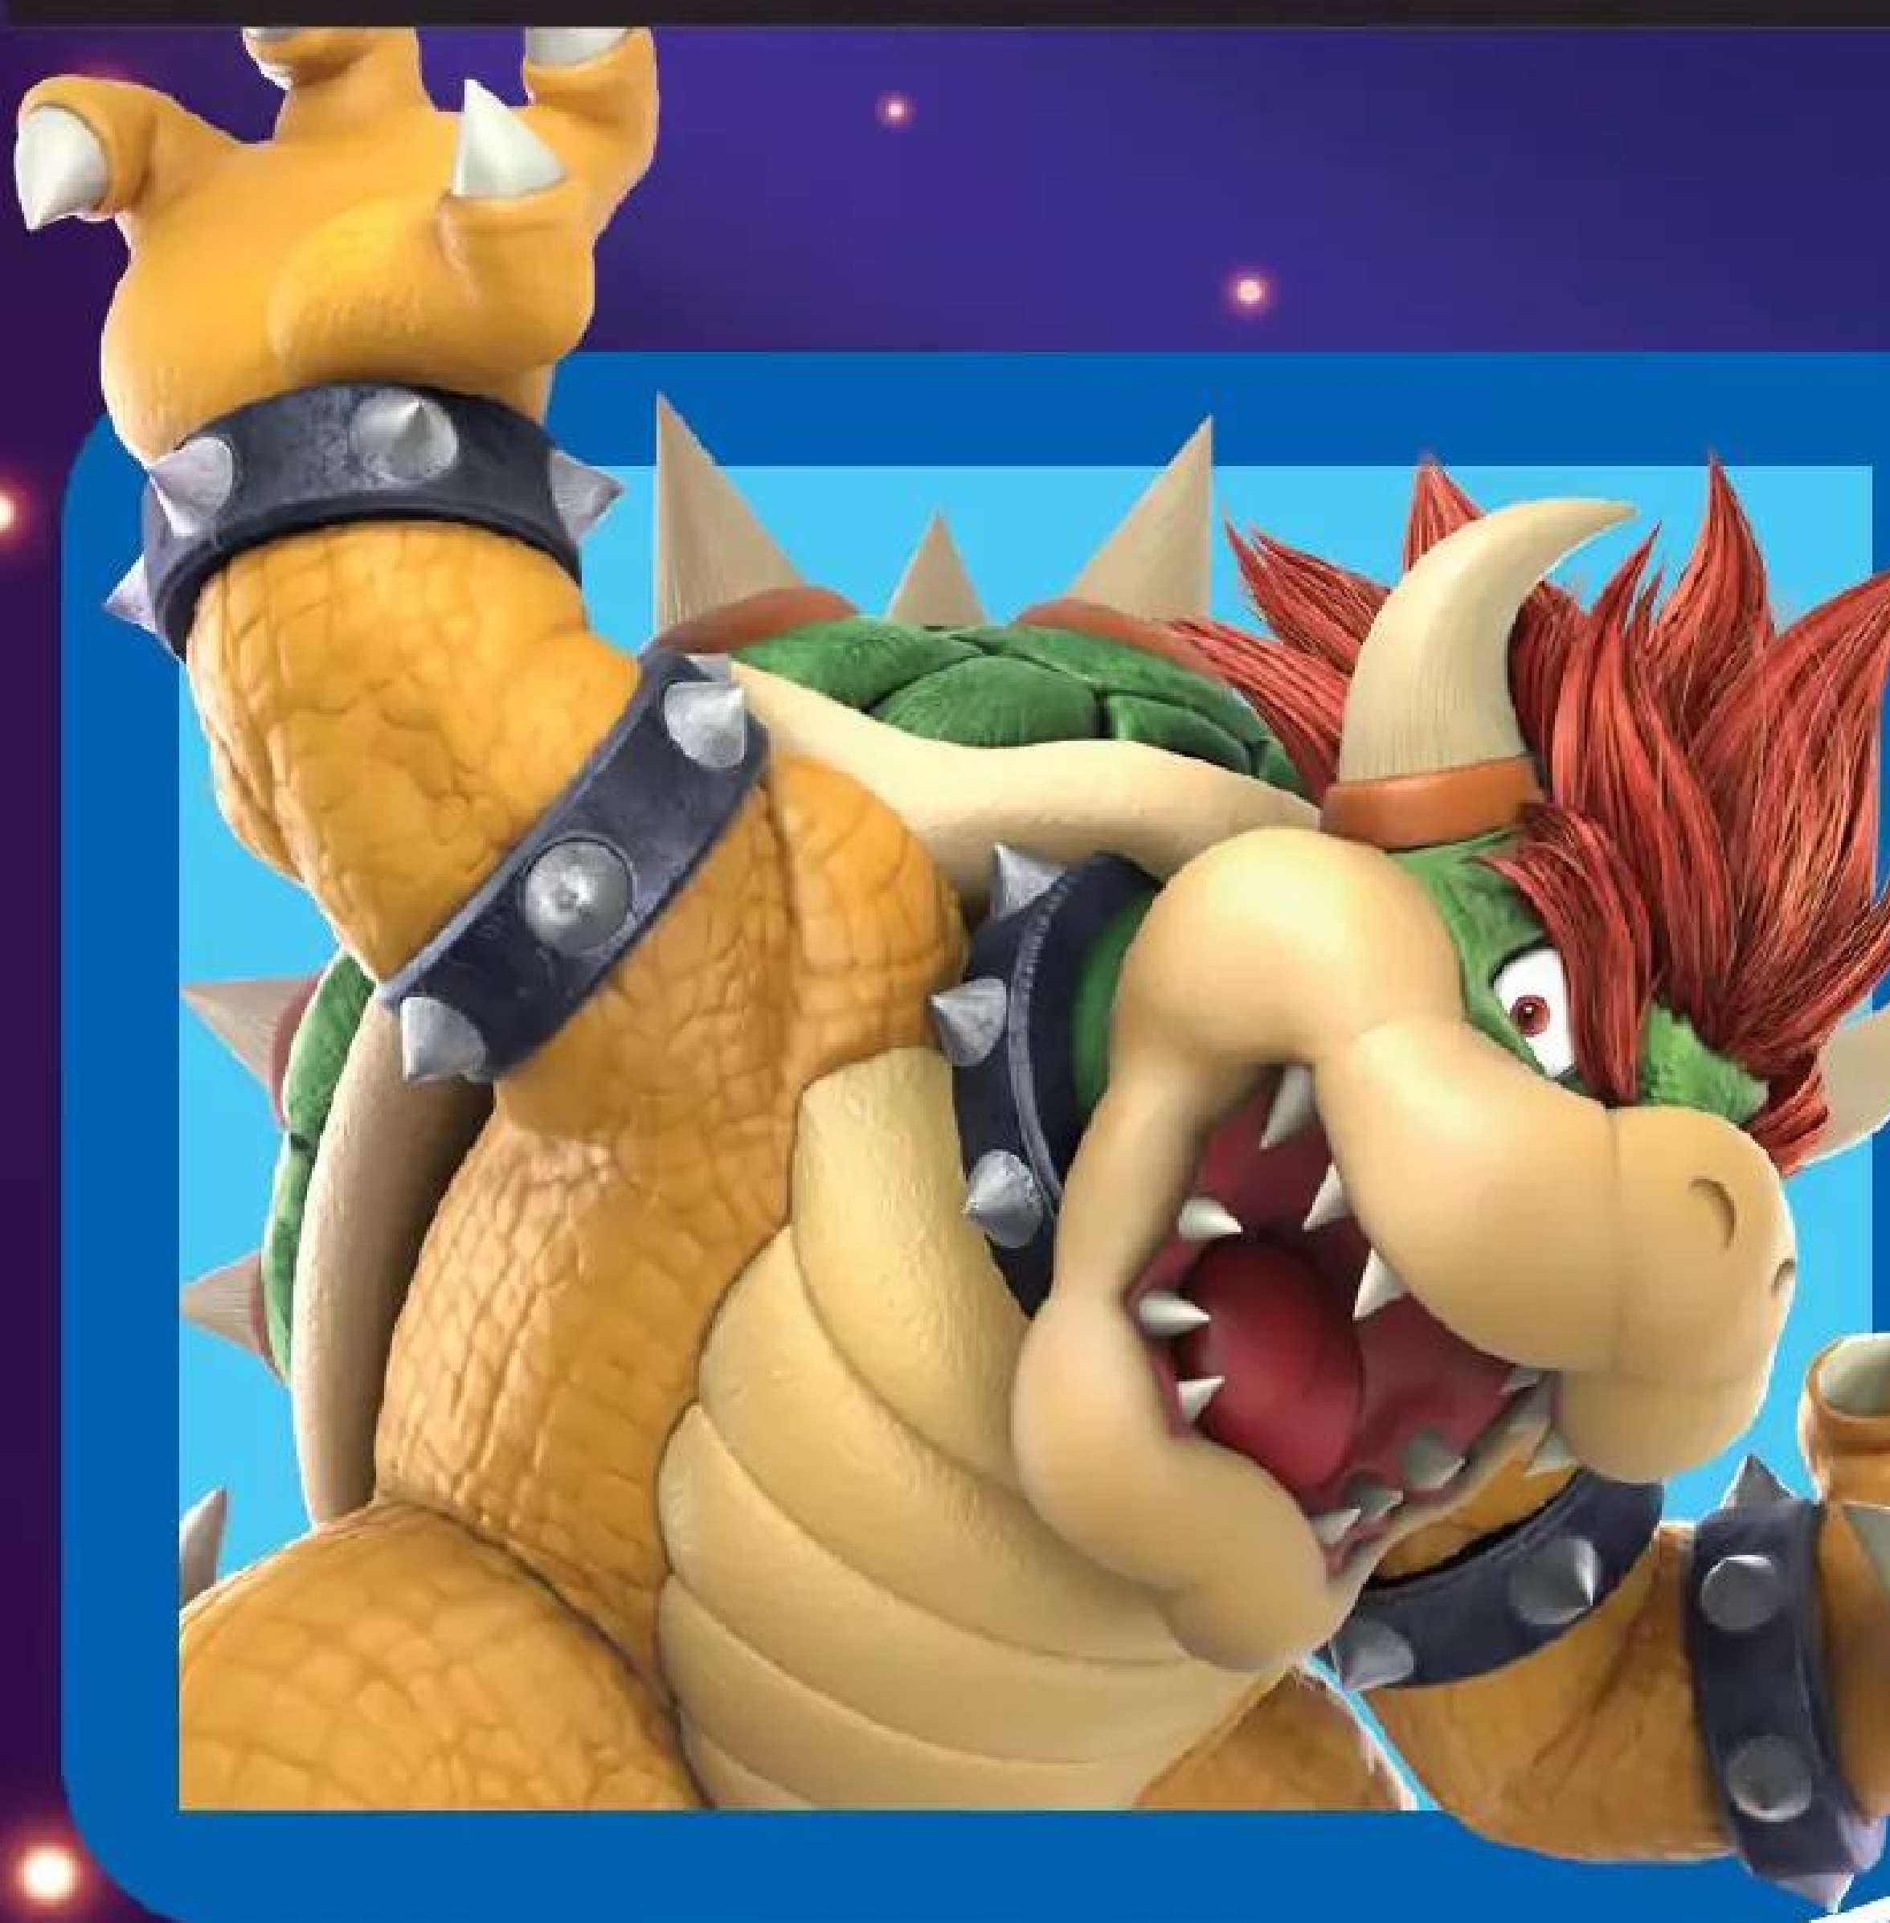
GAMER YEAR

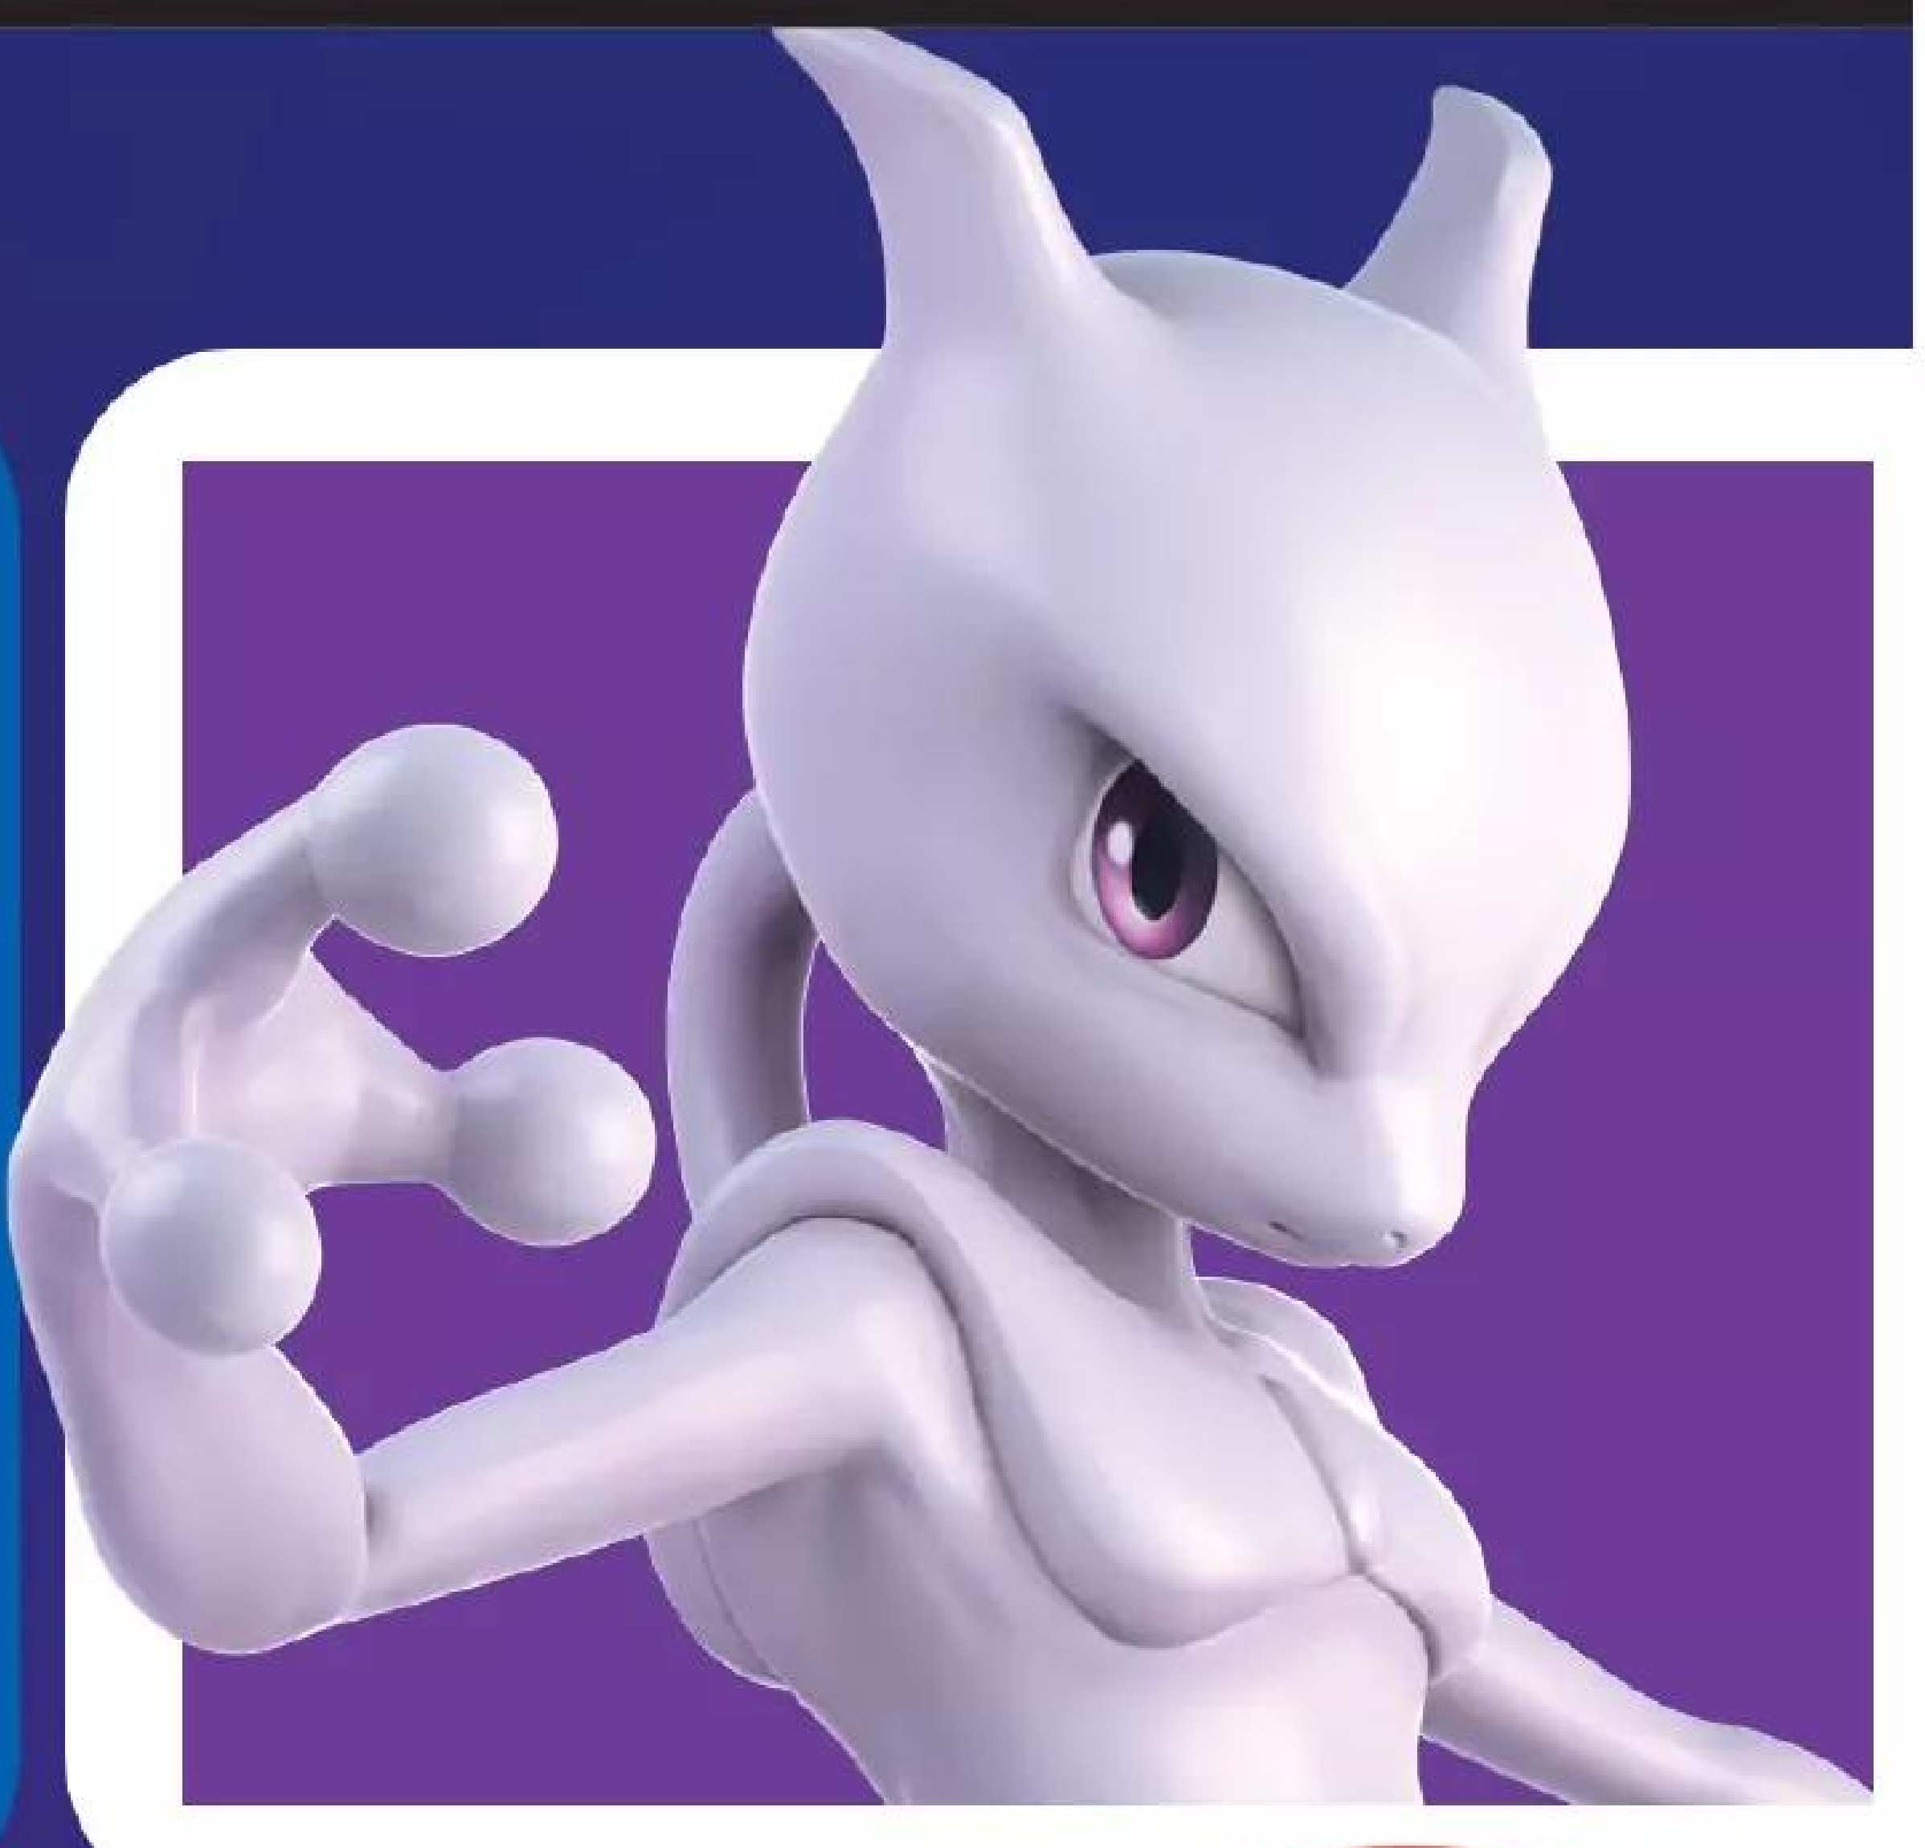
IT'S ALMOST THE END OF THE SCHOOL YEAR, SO HOW WILL VIDEO GAME CHARACTERS

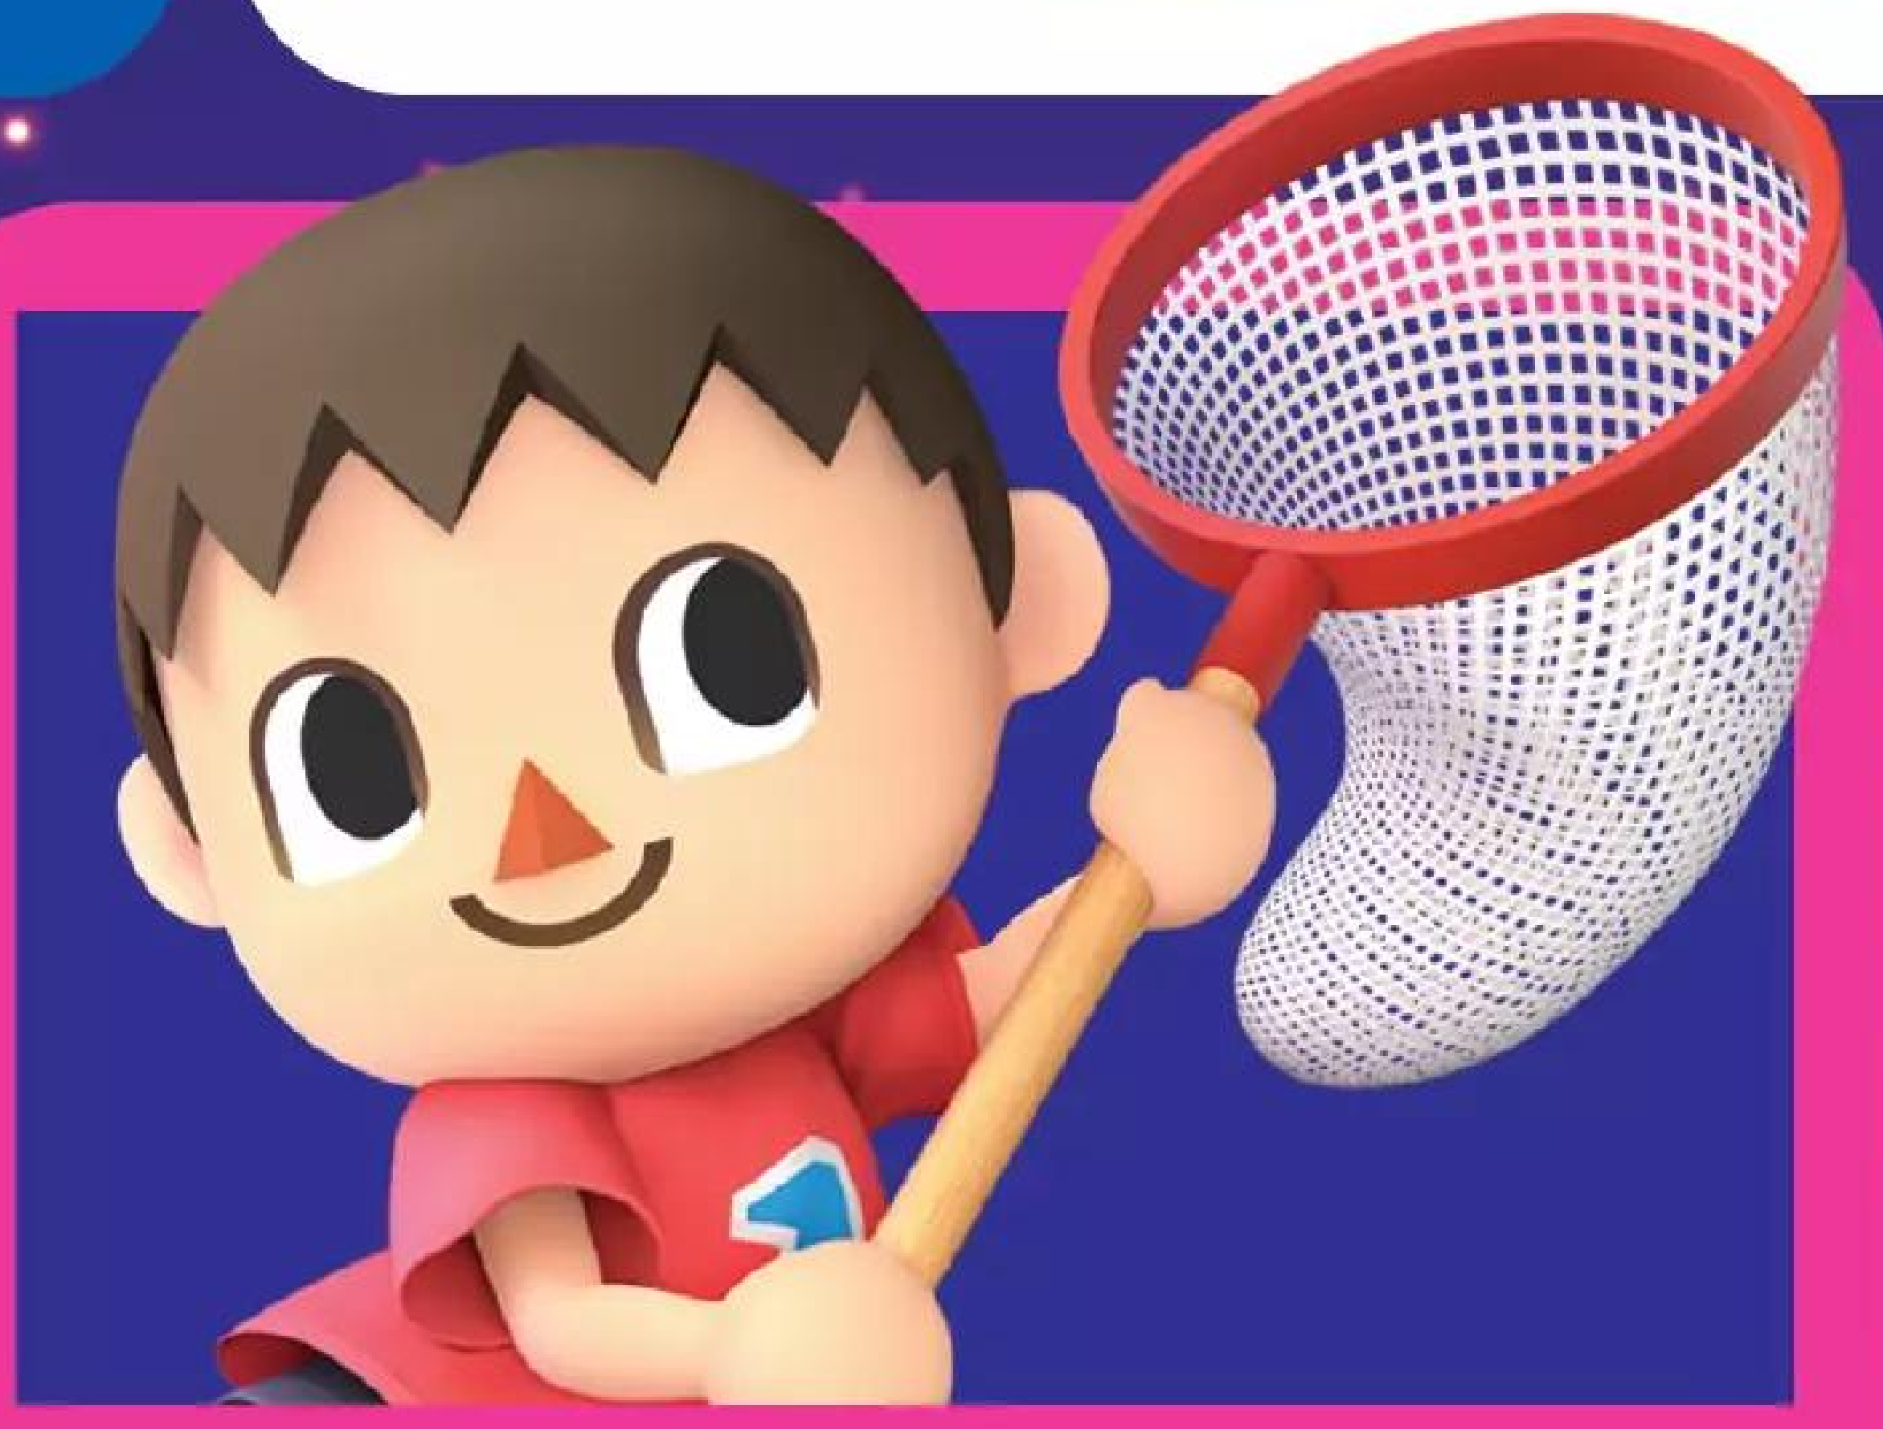


MOST LIKELY TO HAVE A CHART-TOPPING HIT:

BOWSER

One word on repeat: Peaches, peaches, peaches, peaches...

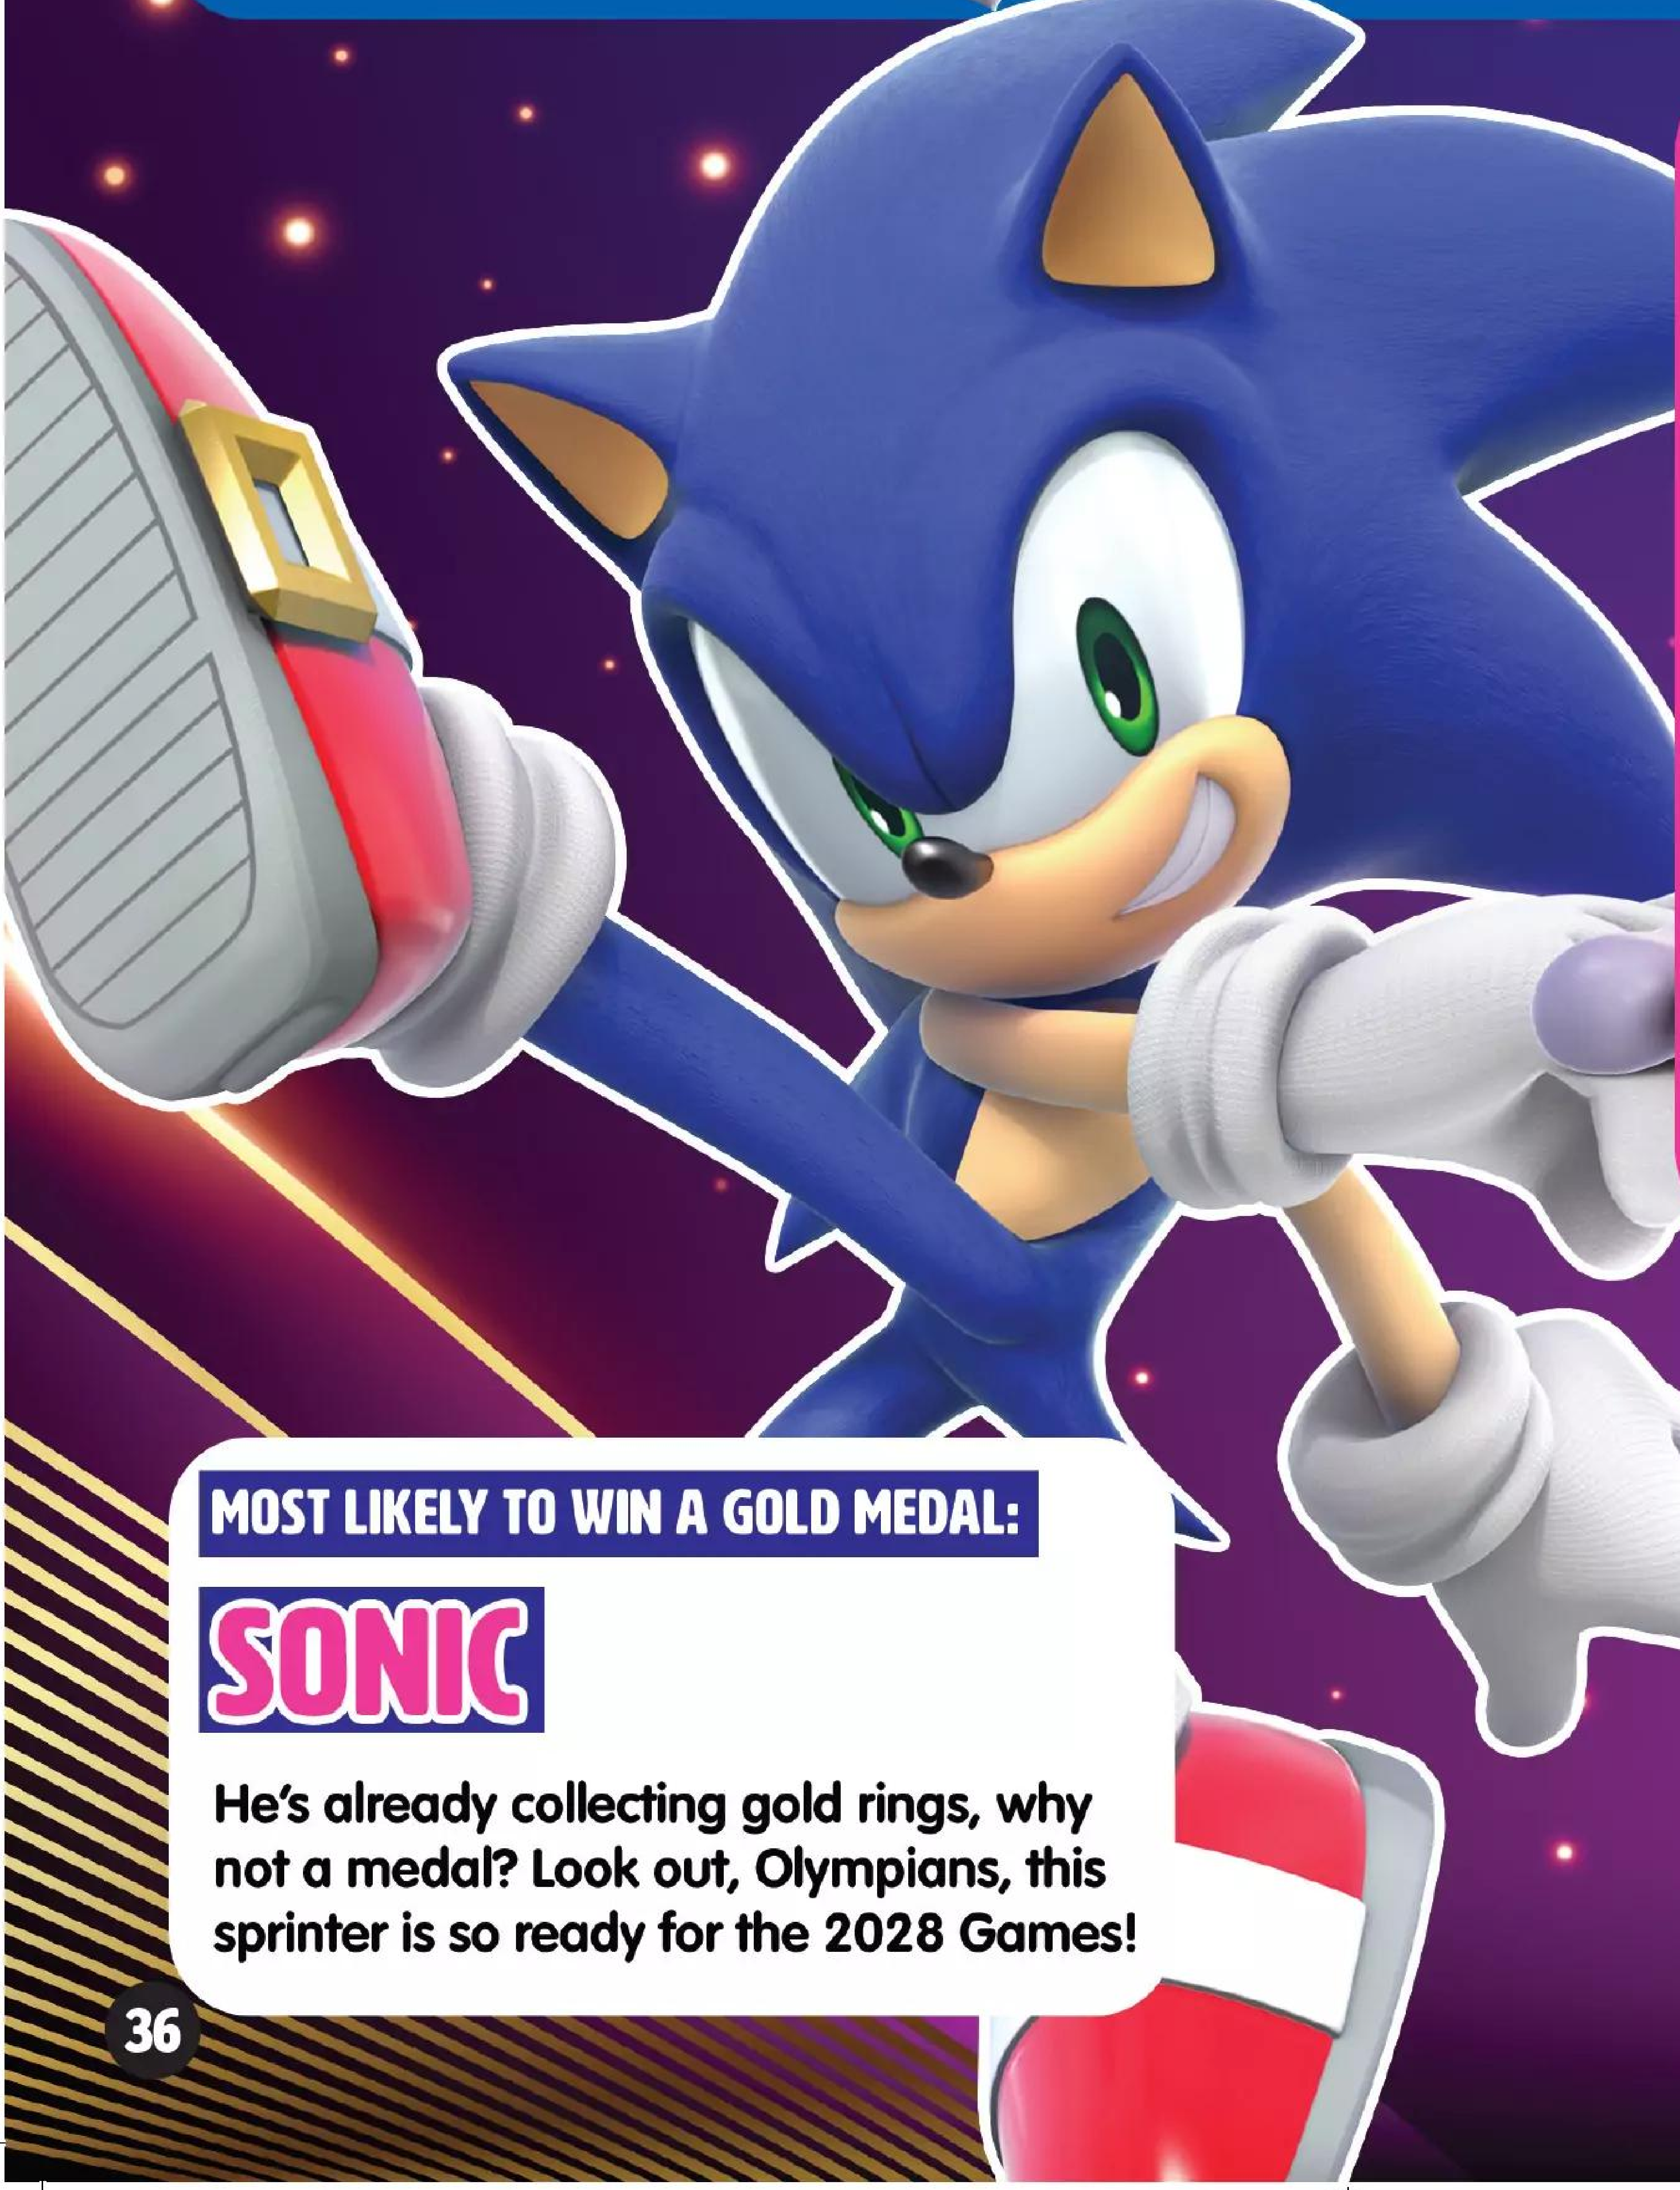




MOST LIKELY TO STAR IN REALITY TV:

VILLAGER

They might look quite head-empty, no thoughts, but we bet they're bursting with secrets and ready to create drama at a moment's notice.



MOST LIKELY TO WIN A GOLD MEDAL:

SONIC

He's already collecting gold rings, why not a medal? Look out, Olympians, this sprinter is so ready for the 2028 Games!

RBOOK!

BE REMEMBERED AT THE SCHOOL REUNION?

WHO DO YOU THINK IS MOST LIKELY TO:

make a viral video:

start their own company:

chat during a movie:

MOST LIKELY TO SURVIVE THE ZOMBIE APOCALYPSE:

MEWTWO

MIGHTY. LEGENDARY. PSYCHIC. IF ANYTHING IS MAKING IT TO THE END OF THE WORLD, IT'S THIS POKÉMON.

MOST LIKELY TO BECOME A COMEDIAN:

DIDDY KONG

Bursting with mischief, this cheeky sidekick would put on a great show. If he didn't, throwing bananas on the stage would be a win-win...

MOST LIKELY TO BE A TEACHER:

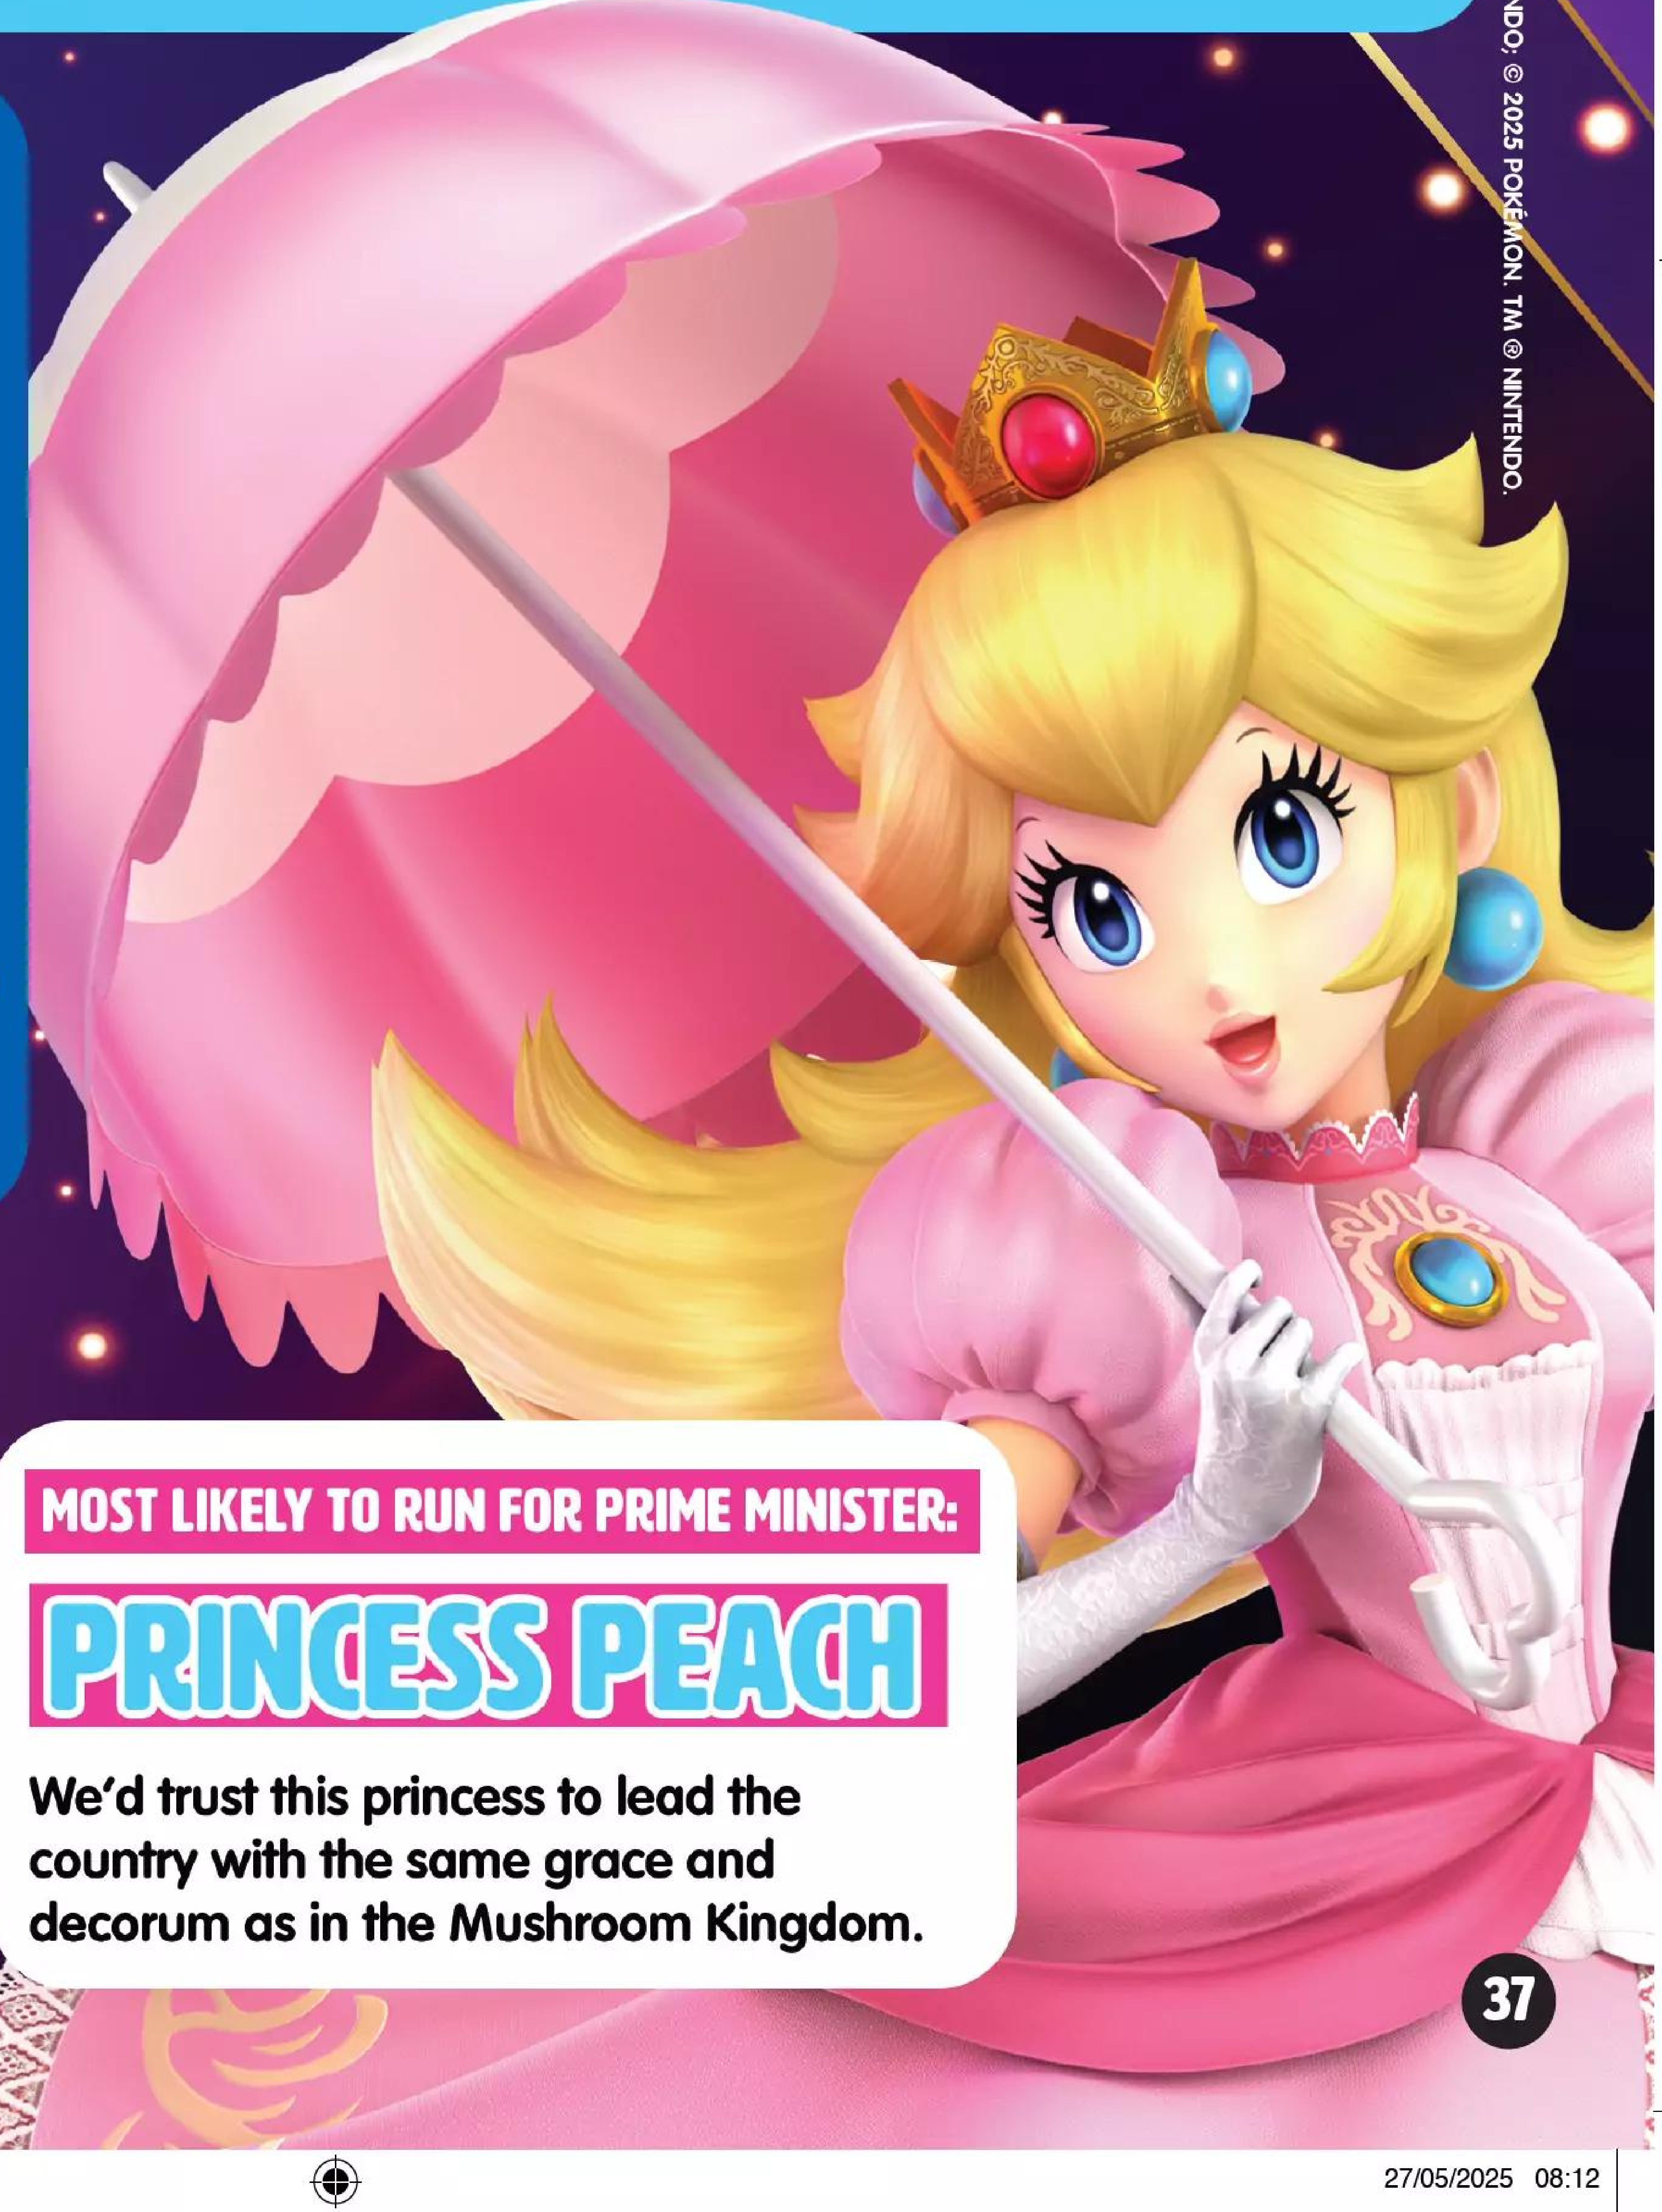
LINK

Though a hero of few words, he's wise beyond his years. Having seen many battles and honed countless skills, there's a lot to learn from this knight.

MOST LIKELY TO WRITE A BEST-SELLING BOOK:

GANONDORF

We'd pay good money to read Ganon's tell-all, unpacking a tragic backstory and how many ways he's been misunderstood.



MOST LIKELY TO RUN FOR PRIME MINISTER:

PRINCESS PEACH

We'd trust this princess to lead the country with the same grace and decorum as in the Mushroom Kingdom.

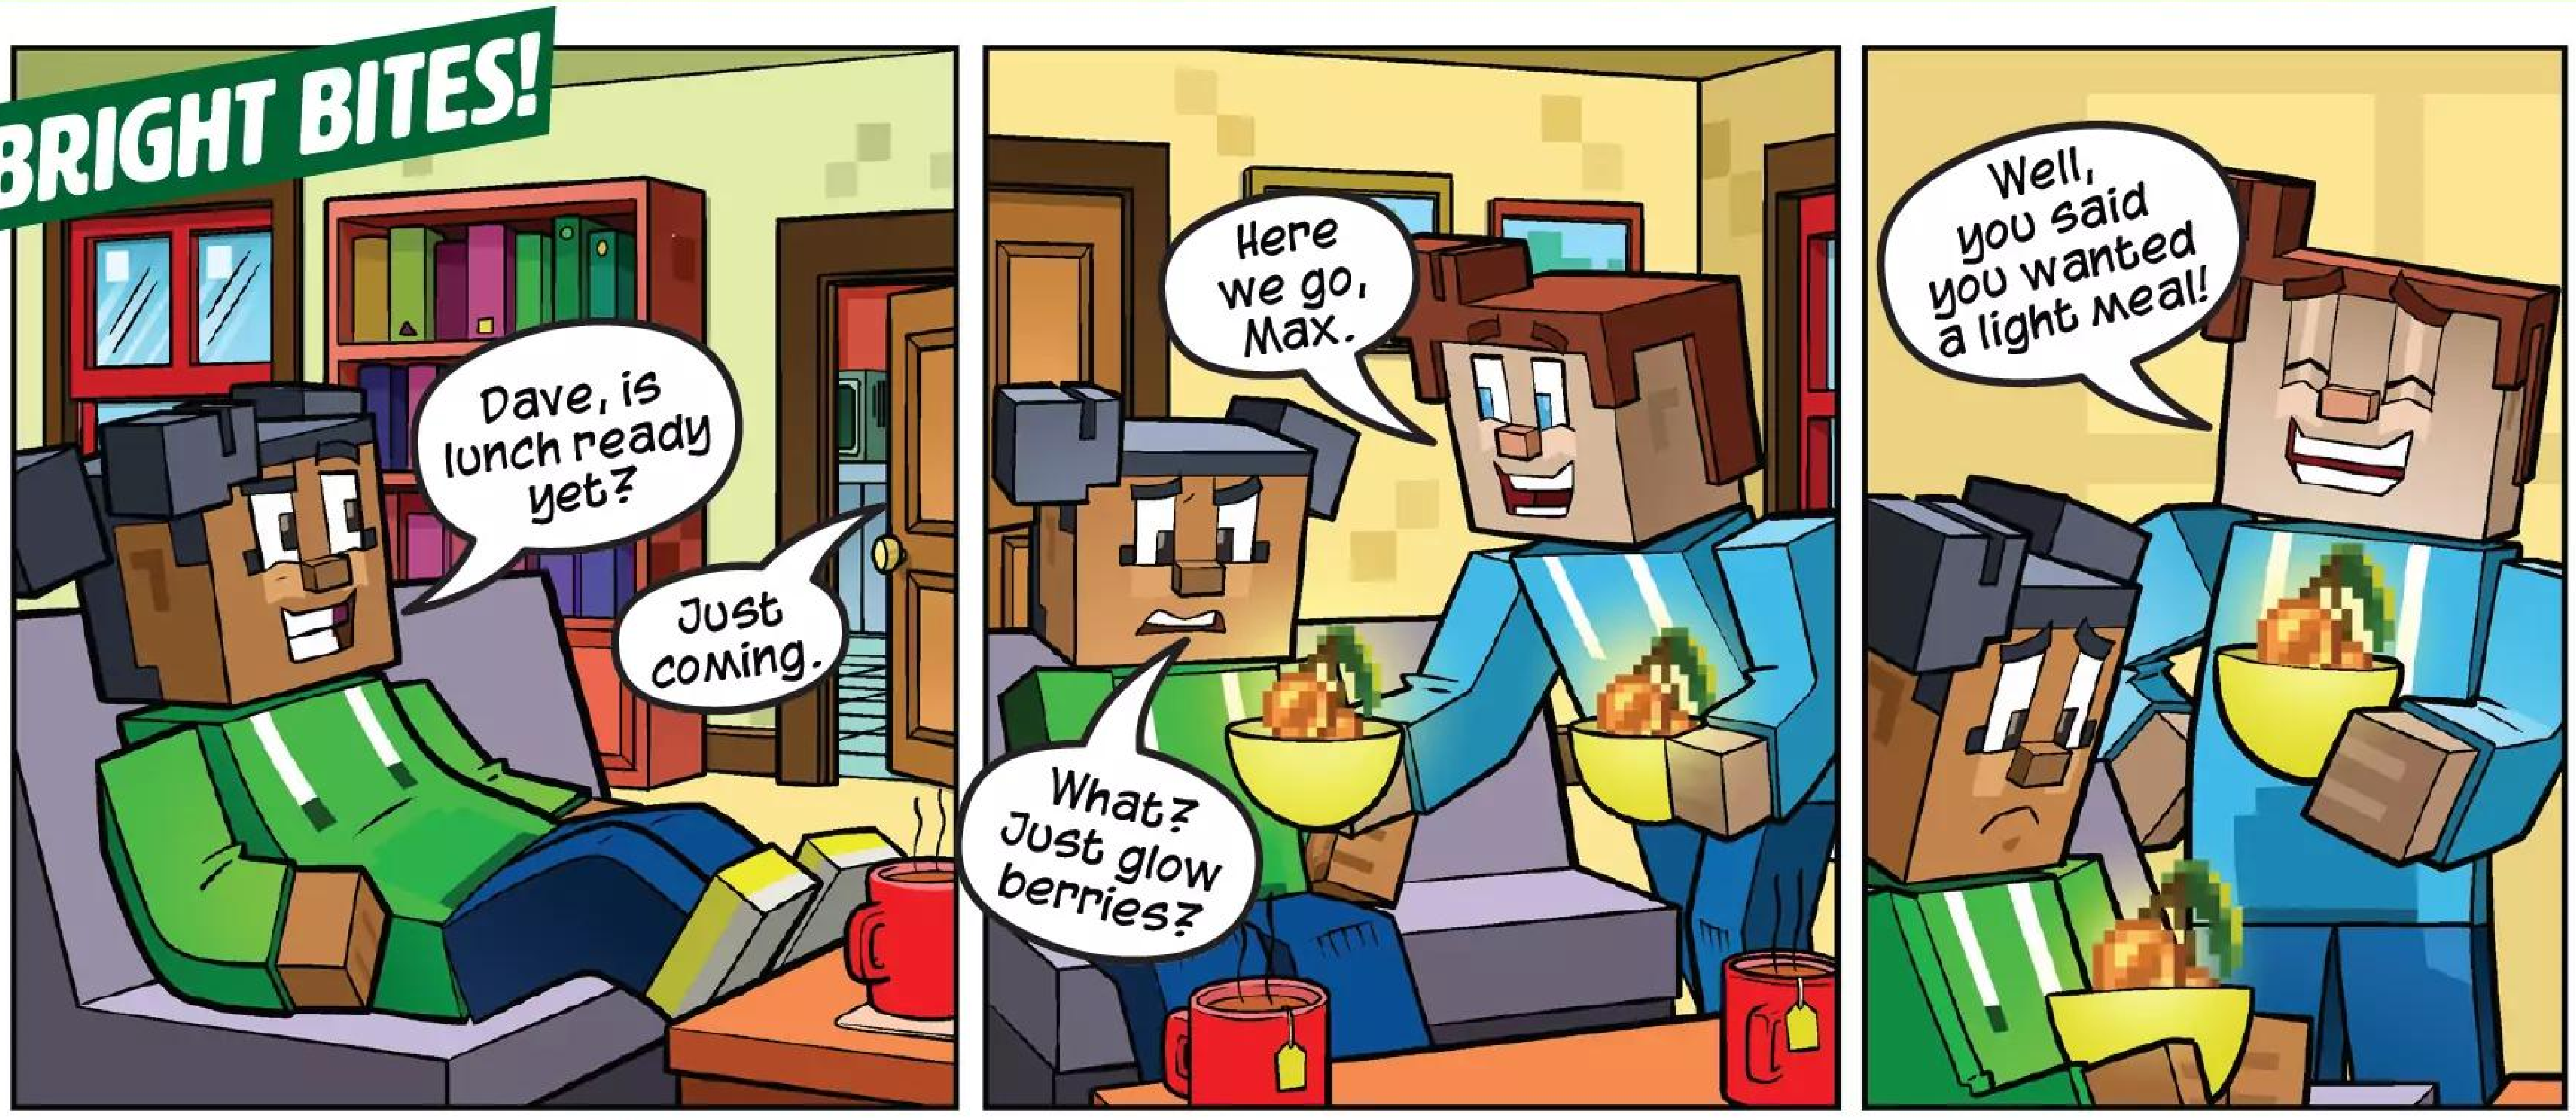
MINNIE & CRAFTY

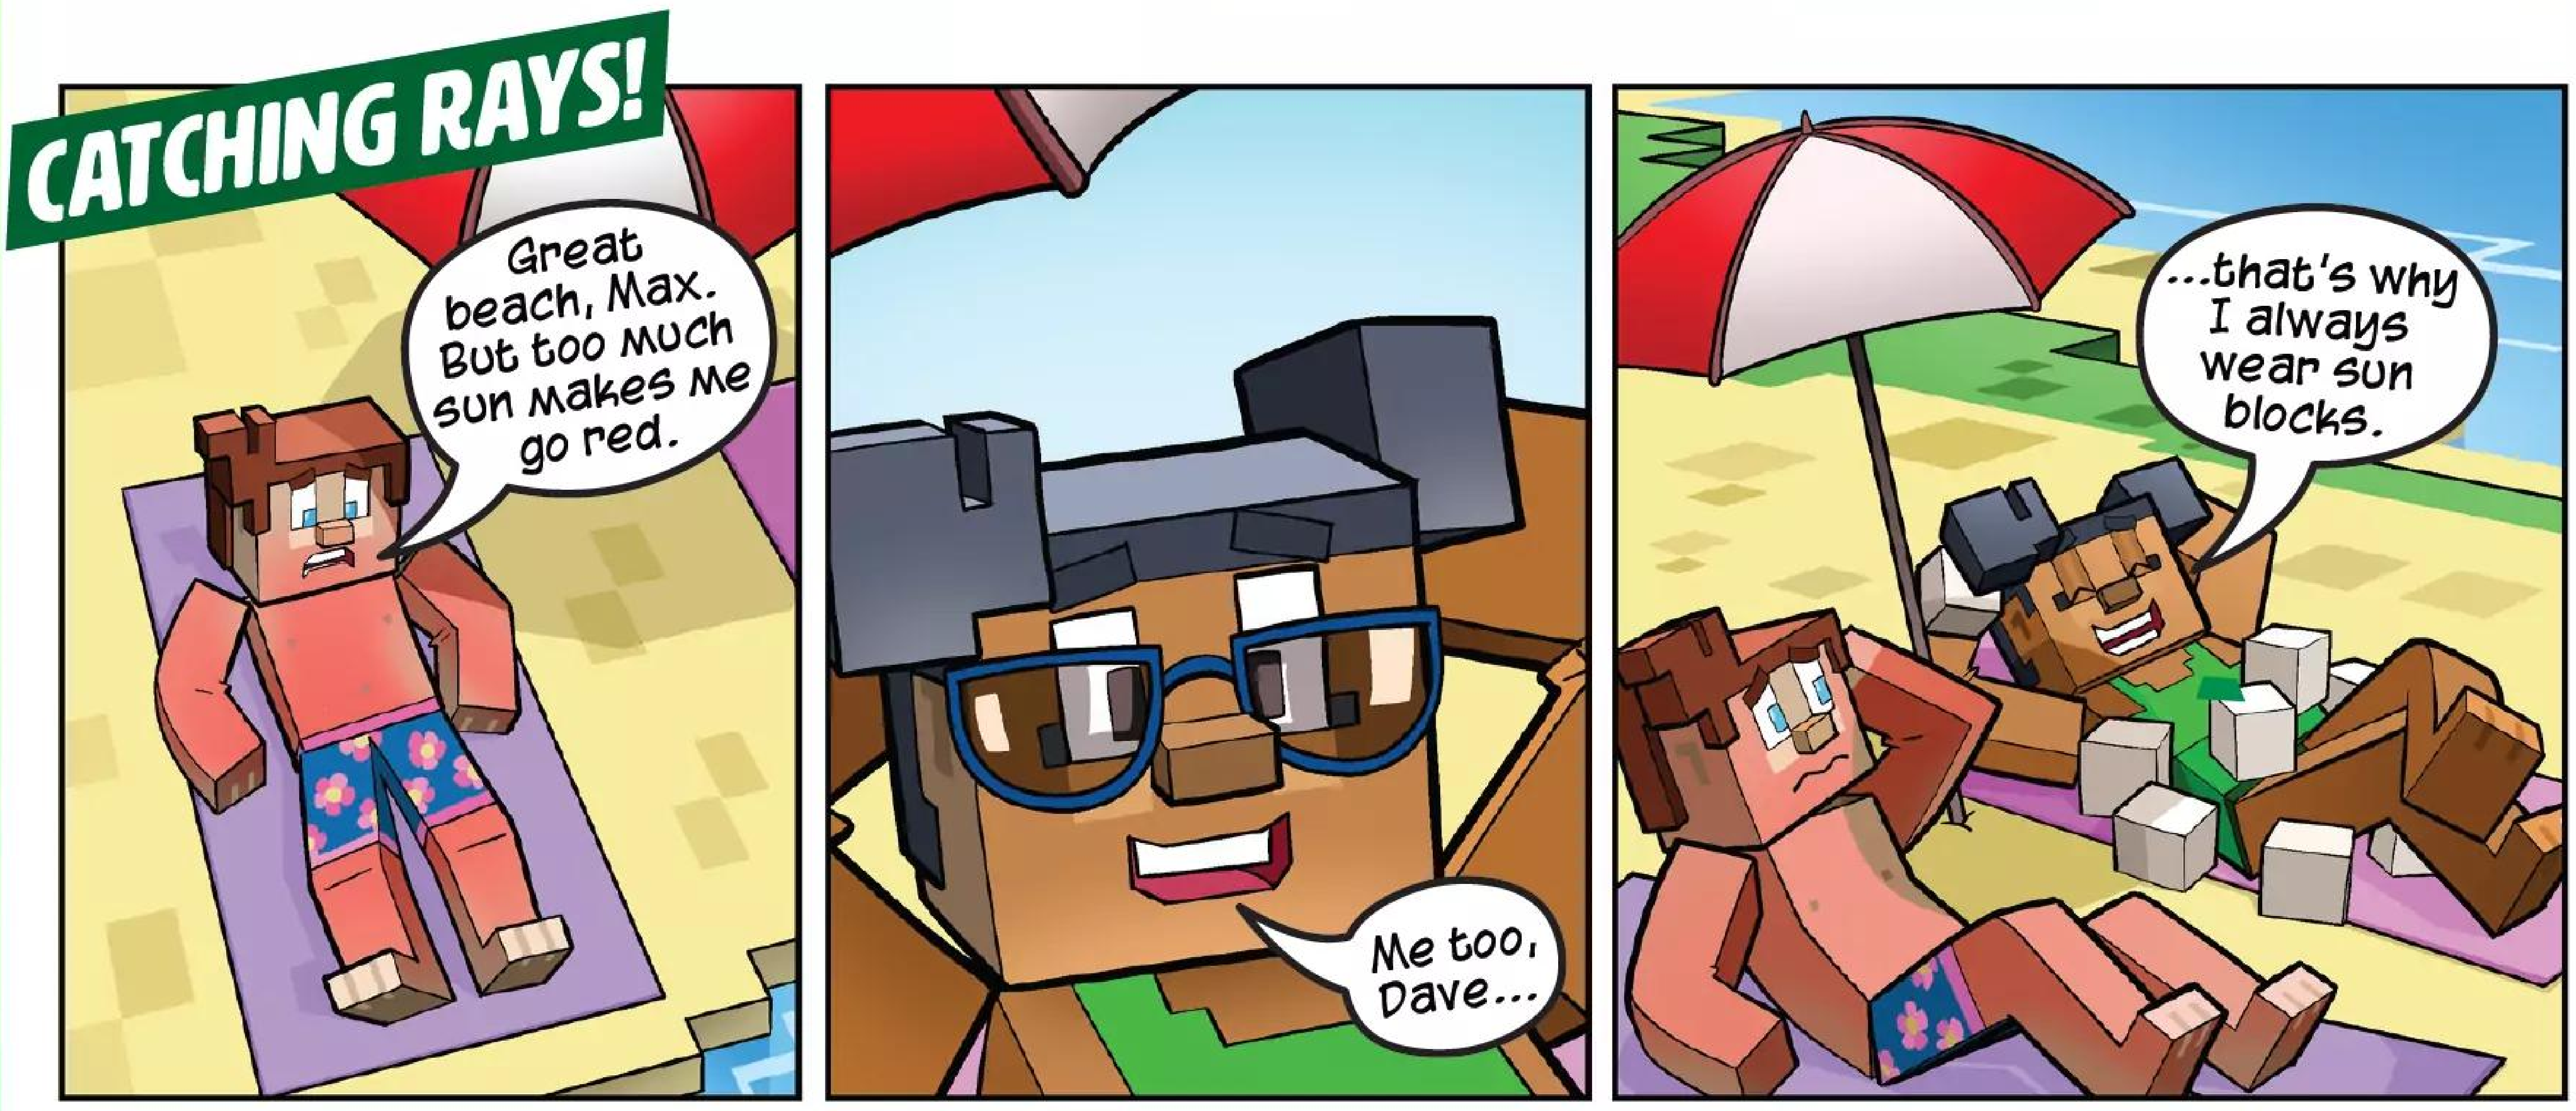
GET READY FOR SOME MINI MINECRAFT LOLS WITH MAX, DAVE, CRAFTY AND MINNIE!

BRIGHT BITES!



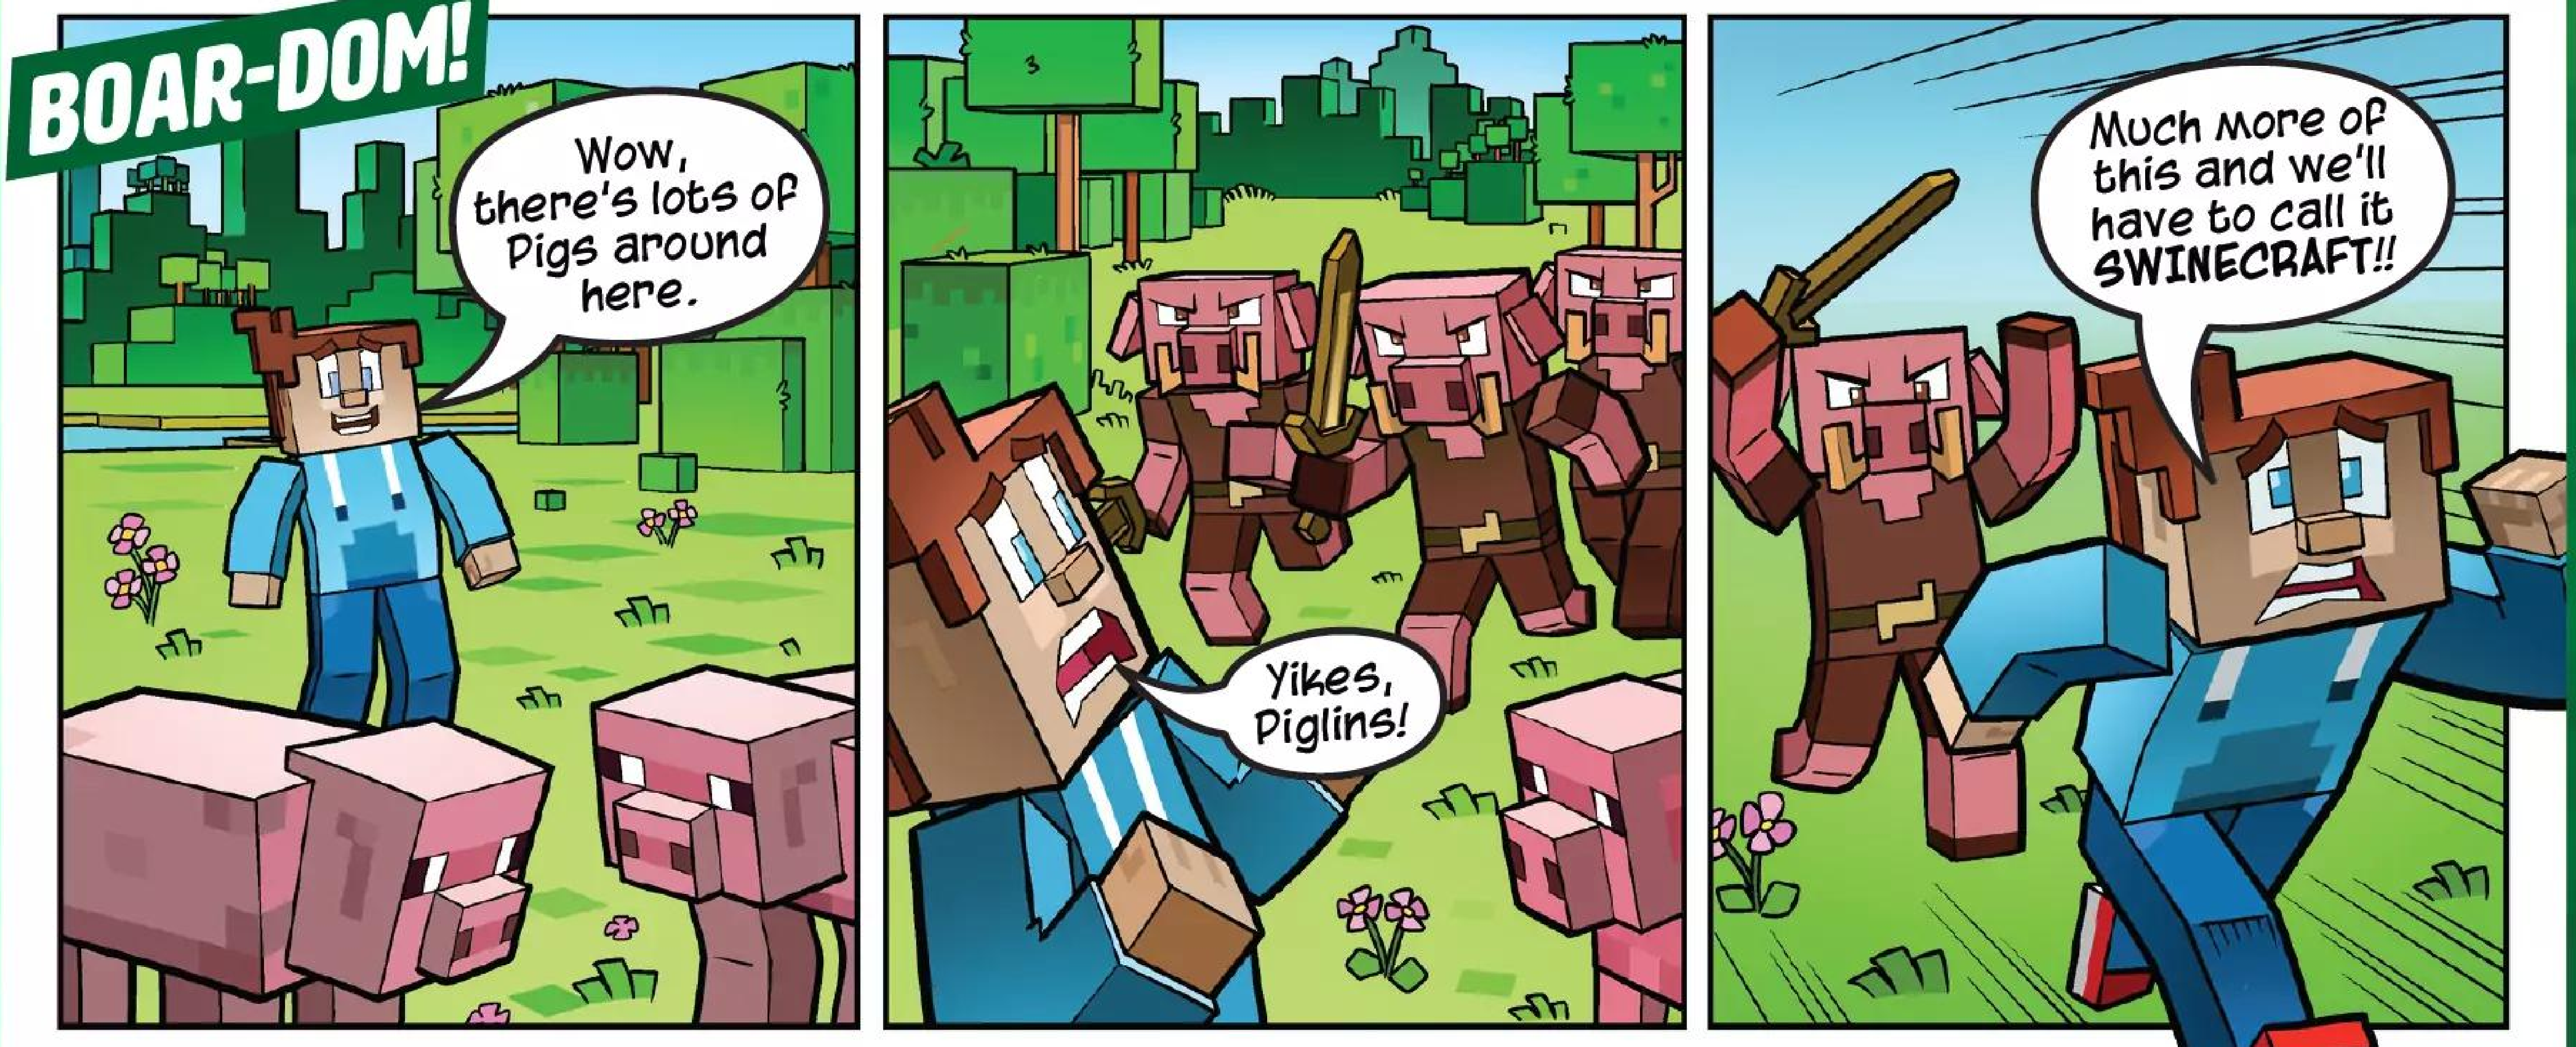
Dave, is lunch ready yet?
Just coming.
Here we go, Max.
What? Just glow berries?
Well, you said you wanted a light meal!

CATCHING RAYS!



Great beach, Max. But too much sun makes me go red.
Me too, Dave...
...that's why I always wear sun blocks.

BOAR-DOM!



Wow, there's lots of pigs around here.
Yikes, Piglins!
Much more of this and we'll have to call it SWINECRAFT!!

ULTIMATE TRUMPS!

STICK THIS PAGE TO THIN CARD, THEN CUT OUT THE CARDS ALONG THE DASHED LINES TO PLAY THIS GAME. **WHO WILL YOU COLLECT NEXT ISSUE?**

© 2025 POKÉMON. TM, ® NINTENDO.

HOW TO PLAY:

Shuffle the cards and divide equally between two players. Hide your cards from each other. The first player reads out a category and its value, then the other player reads out the same category. Whoever has the highest value takes the card from the other player. Take turns choosing categories. The player with all the cards at the end is the winner.

CUT CAREFULLY!
